When your company joins WE PLANT it FORWARD in a tree event, your company ...

- ▲ Will engage employees restoring the natural environment through planting trees.
- ▲ Will offset carbon emissions
- ▲ Will furnish enough oxygen for two people for every year of the mature tree's life
- ▲ Will have a lasting environmental impact for up to 500+ years, about the average lifespan of a large mature tree
- ▲ Will enhance the community with a beautiful tree canopy.

## WE PLANT it FORWARD

Building an open community network of people who passionately believe planting trees will create well being for humanity and the planet.

### Some of the Many Benefits of Trees

- ▲ Trees Reduce Energy Consumption
- ▲ Trees Help Maintain the Water Cycle
- ▲ Trees Sequester Carbon
- ▲ Trees Filter Out Pollutants

### How WE PLANT it FORWARD

Plant. Give. Educate. Come, join us, change the world one tree at a time. Do your part to make the world a beautiful & healthy place to be.
