**About Project COMMON BOND**

*Project COMMON BOND is a program that brings together young adults, ages 15-21, from around the world who share a ‘common bond’—the loss of a family member related to terrorism, violent extremism, conflict or US military service. Since 2008, more than 550 participants from 25+ countries have benefited from this program.*

**About Tuesday's Children**

*Tuesday's Children was founded to promote long-term healing in all those directly impacted by the events of Tuesday, September 11, 2001. Our mission today is to keep the promise to those children and families while serving and supporting communities affected by acts of terror worldwide.*
