LIVE BIG. LIVE PROUD. LIVE6.

Live6 Alliance is HomeBase for four communities surrounding the Livernois and McNichols corridors. Together, we create opportunities — for residents, businesses and investors alike — to convene, engage and enrich each other’s lives and move our neighborhoods forward. Together, we thrive.

LIVE6 – The Crossroads of Culture and Commerce
At the center of Live6 Alliance’s place-based investment strategy is Detroit’s Livernois and McNichols (6 Mile) commercial corridors. These streets have long served as a vital backbone for the City, hosting a mix of shopping, employers, housing and institutional activities, while connecting people and neighborhoods. Two of Detroit’s primary higher education institutions — University of Detroit Mercy and Marygrove College — are located here. The area is defined by some of Detroit’s greatest assets; the Detroit Golf Club and Palmer Park offer world class open spaces, the historic Avenue of Fashion hosts businesses built on a long-legacy of arts and culture, and strong and stable neighborhoods offer a diverse mix of housing that Detroit families have called home for decades. Together, we thrive.

Passion is energy. Feel the power that comes from focusing on what excites you.

EXECUTIVE DIRECTOR’S MESSAGE

It has been nearly two decades since Richard Florida began a global dialogue on the role of what he called the creative class as an engine for metropolitan economic expansion. Since then, the significance of all small businesses in large urban areas, mid-sized communities and small neighborhoods has become a recognized force for both economic and social growth. And, great places to live.

As cities like Detroit strive to revive safe and vibrant districts that attract and retain families, young adults and seniors, one fact is certain: diverse small businesses play a key role in making neighborhoods thrive.

Live6 is made up of four neighborhoods that have faced and beat many challenges but have withstood the test of time and urban pressures. Today, Bagley, Fitzgerald, University District and Martin Park are undergoing a resurgence, encouraged by public and private investment, while becoming a national model for a great place to live, work, play, study, eat, drink, shop and visit.

Rooted in the history of Detroit’s “Avenue of Fashion,” beautiful parks and two striking university campuses, Live6’s vital atmosphere is enticing businesses and residents alike.

It has been said that neighborhoods flourish when locals and visitors can walk to and between restaurants, coffee shops, boutiques, clubs, and other retail and services. Where people watching is good on a sunny afternoon. Where one inevitably runs into a friend or colleague or family member as they run an errand or go for a stroll.

Live6 Alliance team has compiled this directory to celebrate the diverse businesses that contribute so much to this community. They make it a great place to be, to raise families and to enjoy neighbors.

A special thanks to Kresge and Hudson-Webber foundations for your endless support of Live6 Alliance and our small business community.

Please visit and patronize these businesses and get to know their hardworking owners and staffs. I know you will come to appreciate them as we do ... every day.

Together, we thrive.

Geneva Williams, Ed. D.

Since the concept first appeared in the Bible, through medieval and into modern times, it has often been expressed that man does not live by bread alone. Art, in its many forms, feeds our hearts and souls, inspiring us every day.

When you next visit Live6, check out the drawings, paintings, textiles and ceramics in our galleries. Take something beautiful to your home or office and get your fix of creativity!

LIVE BIG. LIVE PROUD. LIVE6.

Live6 is a nonprofit planning and development organization. Its mission is to enhance quality of life and economic opportunity in Northwest Detroit. Live6 Alliance acts as a conduit between the institutions like the University of Detroit Mercy and Marygrove College and the surrounding communities in the Livernois and McNichols (6 Mile) commercial area.

Efforts are focused on six primary areas of interaction:

- Small Business
- Safety
- Engagement
- Placemaking
- Residential Stabilization
- Real Estate Development
