Welcome to the International Brotherhood of Electrical Workers Local Union 1547 Dispatch Hall! We work on behalf of our members and applicants (prospective members) to secure employment through employers that have established a collectively bargained arrangement with us. You have just registered on the Master Book for your classification. To remain eligible for work opportunities you must re-sign one time once each month.

Re-sign. - The time period for re-sign for all applicants is between 8:00am to 5:00pm during work days starting on the 10th and ending on the 16th of each month. Failure to re-sign within the allowed period will result in removal of your name from the list. You will then need to re-register on the master book if you wish to be considered for further work opportunity. We will not notify you of your failure to re-sign, so please pay attention to these guidelines. The method by which you may re-sign is as follows.

Method to Re-sign. –Any applicant may re-sign in person, by telephone as described in “Annual Re-sign”, by facsimile to (907) 777-7268, e-mail to re-sign@ibew1547.org, or by US Mail to Dispatch, c/o LU1547, 3333 Denali Street Suite 200, Anchorage, Alaska 99503. All re-signs must be “received” by the close of business on the last working day during the re-sign period to be valid. Re-signs made that are other than in person or as permitted by telephone must contain the following information: Name, Address, Home Local Union #, and IBEW Membership #. If an applicant is not a member of the IBEW, a government issued identification card, such as a driver’s license, will suffice. The applicant must include a photocopy of the ID with the re-sign for it to be valid. Whenever the Dispatcher is not present the in-person re-sign book is available for signature elsewhere at the Local office. Ask for it as our Local offices are not all equally staffed and the location of the log will be different in each Unit, but it will be available.

Annual Re-sign. – Once each year, between December 10th and 20th all applicants on the Books must re-sign in-person, or alternatively, if the applicant lives more than 25 miles from the Unit offices where they reside, you may re-sign by calling Dispatch during normal working hours. Call for Unit 101 Anchorage 276-1547; Unit 102 Fairbanks 452-1547; Unit 103 Juneau 586-3050; Unit 104 Ketchikan 225-1547.

Hours for registration on the Master Book. If you should fail to timely re-sign, or are dispatched and subsequently laid off, quit or are terminated for cause, you must register on the Master Book. Construction classifications may register any workday between 8:00am and 5:00pm. All other applicants may only register on the Master Book between 8:00 - 9:00am the work day after termination or after the re-sign period has ended, or thereafter from 1:30pm to 4:45 pm.

BE READY AND AVAILABLE TO GO TO WORK! When in person at the Hall let the Dispatcher know who you are and what job you are interested in. Should we phone your number and fail to reach you, we will go to the next person on the list. You will miss that job opportunity. If we leave a message and you subsequently call us back, do so only to accept a job listed on the recorder. If it is still “open” it will be offered to you.

BEWARE!! An applicant accepting a call for a job, either by telephone or in person, who later refuses the call or fails to report to work or an interview as scheduled will be removed from all out-of-work lists. Generally, job calls for the next day are on a job line recording. You may access this number after 6:00 PM. This is a courtesy and may not always be a complete list of all available jobs.
