

*Are we a good fit? Start finding out by answering these questions. If you can answer “yes” to most of these questions, Green Grove might be a good option for you.*

1. Do you like the idea of getting to know your neighbors as friends?
2. Do you want to be part of a ‘green’ community, committed to reducing its environmental impact?
3. Do you want to consume less “stuff” and reduce waste through sharing and cooperation in daily life?
4. Do you like the idea of a common house where optional community meals frequently take place, classes and jam sessions are held, and guest rooms are available for visiting family and friends?
5. Are you ready for a home with a smaller footprint, knowing that you will gain space from the common house and gardens?
6. Are you willing to have a short-term parking space near your house, but commit to keeping your car in a shared parking structure a short walk away in order to have a pedestrian-friendly neighborhood?
7. Would you enjoy having your home facing a “village green” and having a substantial front porch?
8. Do you like the look of a traditional neighborhood of homes in classic styles such as craftsman, French country and seaside cottage?
9. Do you like the idea of participating in the planning and design of your own home built with high performance and green construction materials and methods?
10. Do you consider yourself a problem solver and enjoy contributing to group solutions?
11. Do you like the idea of a community garden and orchard, and working together to produce food?
12. Do you enjoy potlucks and neighborhood meals indoors and outdoors?
13. Are you willing to share some of your time, talent, and effort in committees and workgroups that benefit the community?
14. Would you enjoy living in a community that is mutually supportive and encourages interaction while honoring each person’s privacy?
