*A taste of home,  
away from home.*

Baker's Kitchen is a local, family owned restaurant in historic downtown New Bern. We serve breakfast, lunch and dinner so you can have delicious home-style cooking all day long.

We have our own on-site bakery, whipping up homemade breads, cookies, rolls, pies and more fresh every morning! We are known for having the best French toast around, and you'll understand why once you try it with our famous Butter Syrup.

**EVERYTHING IS BETTER WITH  
BUTTER SYRUP!**

Baker's Kitchen can provide catering services for everything from bridal showers and business luncheons to Marine balls and wedding receptions. Here you will see our most popular menu choices for both breakfast, lunch & dinner, but if you have something special in mind, just let us know! We would love to create a customized menu just for you.

If home style cooking isn't what you are looking for, ask us about our sister restaurants. Lawson's Landing Café, Aperitivo at Lawson's Landing, and Beer Army Burger Company are all located in downtown New Bern and offer catering services as well. Whatever your catering needs are, we have you covered!
