

Exhibit F - City of Campbell Below Market Rate (BMR) Preference Criteria Form (for Rentals)

The City's Inclusionary Housing Ordinance establishes a preference system for allocating the limited number of affordable rental units. First preference (for up to ten percent of all affordable units) shall be given to income eligible employees of the City of Campbell. Second preference is given to income eligible existing Campbell residents and third preference is given to income eligible persons employed within the city limits of the City of Campbell. If a particular address is in question, Administrator will check with City staff to determine if the property is within the City's jurisdictional boundaries.

The preference system will be used to establish a ranking of applicants. An eligible household will be ranked according to where they live or work. While an applicant who lives or works within the city limits will have preference over an applicant who does not, residency/employment status is not a requirement for the Program, and all individuals and households may apply. Households comprised of applicants who do not reside or work in Campbell may occupy a BMR unit if there are no eligible Campbell residents or workers on the eligibility list for occupancy.

The City of Campbell has a Preference Requirement for all BMR Units (Preferences must be met by the applicants and co-applicants that sign the rental agreement to the subject property)
