

Cultivating Young Women Towards Excellence

PRINCESS, INC.

We lead. We Empower. We serve.

Princess, Inc. has become the go to youth empowerment organization for the urban community in the southern parts of New Jersey! Two friends (Indra & Automne) conceptualized an idea of a non- traditional mentoring & empowerment model that has changed the scope of the traditional “little sister-big sister”- mentoring model that once was.

The Princess, Inc.’s “Hybrid or Mobile” mentoring model has revolutionized how effective youth mentoring & advocacy is implemented & received in urban communities. No more boring lectures, babysitting, or useless movie & lunch dates with our mentees.

Members of Princess, Inc. look forward to engaging with mentors via social media and customized chat groups, being active in community service projects, interacting with news sources, and so much more!

The use of technology gives our members and parents-24 hour access to organization mentors & the founders. It’s a non-brainer way to constantly keep our members engaged & connected to available resources!

COMMUNITY

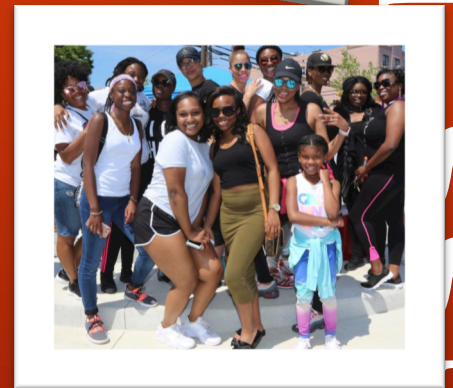

We serve the people; because they deserve it!

Offering opportunities, resources and experiences to the underserved urban community—

- ✓ **Free Dental Services**
- ✓ **Tuition Free College Program**
- ✓ **Annual Scholarship Award**
- ✓ **1st Time Exploration Activities**
- ✓ **Job Placement**
- ✓ **Community & Civic Involvement**

Through various partnerships, Princess, Inc. has been able to offer opportunities fit for the next generations of students to get free dental work, and attend college for free—focusing on first year high-school students with a GPA of 3.0 or higher. We actively engage our members in 1st time experiences such as: paint ball fighting, climbing a historic lighthouse, and other experiences that engage all their senses—proving to increase positive mental & emotional health. Princess, Inc. is quickly becoming the catalyst for helping teens acquire gainful employment in various occupations which include: local government & politics, municipal services, fast food chains, retail and so much more...

We also provide exciting community service opportunities like— #hashtaglunchbag which is geared towards feeding the growing homeless community; the 5K color run which benefits children with disabilities & our most popular community service event, #LetsJump Double Dutch event and our annual scholarship award!

Mission Statement:

Our mission is to cultivate young women to educate their minds, identify their talents, bond with like-minded individuals and pursue life's purpose with vigor.
