THE BOWLER HAT

# THE BOWLER HAT

## INTRODUCTION

Our inflatable theatre with a capacity of 250 seated or 600 standing. This 20m x 25m structure stands out in any setting, and can comfortably house a broad range of events from theatre, performance, conferences and special events. As its name suggests, it is in the shape of a quintessentially British bowler hat. A unique alternative to hiring out a marquee.

# SPECIFICATION

## External Footprint

27m x 21m

## Internal Dimensions

22.5m x 16.5m

## Capacity

600 standing / 250 seated

## Power Supply

4 x 16 amp power supplies

## Rigging

There are six fabric loops in the ceiling of the structure to enable light weight rigging at about 15kg's a point.

## Transport

1 x 4oft Trailer

## Installation

The Bowler Hat has a 4 hour set up time. It takes 20 minutes to inflate from when fixed. Suitable for hard or soft standing. Forklift required at site to move deflated packed structure as needed.

## Branding

The Bowler Hat has a central fabric ribbon wrap-around ideal for branding your event. There would be an additional cost for this.
