April and May 2019

ASC Mission Statement: "Provide experiences in life skills and learning to enhance the lives of youth by giving children a safe and caring environment where they feel valued."

Hey Everyone!

It's hard to believe we are already at the end of the school year! We have until May 15th, which will be the last day of after school club. We have a lot of fun clubs planned to finish out the school year!

April Clubs

Springtime Club-This club is filled with spring related art activities, such as hopscotch, painting, and scavenger hunts.

Cheer Club-Any grade can join our cheer club as they prepare for the cheer competition on April 25th at Willow Park.

Mini Adult-This club teaches the students all they need to know about being an adult, including laundry, budgeting, and cleaning.

Off the Wall Sports-This club is full of different sports and games to keep the students engaged.

Soccer Club-This club is specifically for third, fourth, and fifth graders. They will be running drills and practicing for the soccer competition on April 25th at Willow Park.

April Monday Activities

Life skills- The students will learn about what a role model is and how they can effectively set goals.

Confidence Crew- The children will learn how to think about themselves positively by reading "You are Special". They will then write a list of negative things people have said about them and rip it up.

Character Company- The students will learn about sportsmanship to help with the cheer and soccer competition. They will do basketball drills to help them practice.

May Clubs

Spring Vacation-In this fun filled club, the students will be doing spring crafts and playing games outside.

Movie Club-The students will talk about different movies and what life lessons can be learned from them. They will be doing activities based on the movies as well. (Continued on back)
