

ADAMS ELEMENTARY SCHOOL

PTA

PTA plays an integral part at Adams Elementary. We owe much of our success to this organization which is kept in motion by very dedicated and talented parent volunteers.

Please contact Haleigh Beecher:

The Community Council is composed of teachers, parents, and the principal. This is a primary advisory council for the school which develops our school improvement plan, makes budgetary recommendations, and addresses parental concerns. Students, parents, and community members are encouraged to use the community council process to address concerns they may have.
