

3RD TRIENNIAL
MULTIDISCIPLINARY
MASTERS' SYMPOSIUM ON
**BLEPHAROPLASTY AND
FACIAL REJUVENATION**

PROGRAMME DAY ONE

ICC Sydney | Level 4, Room C4.4, 14 Darling Drive, Darling Harbour

Day 1 Friday 1 September

Patient Selection And Assessment

Moderator Angelo Tsirbas

8:00 - 8:05	Welcome		
8:05 - 8:25	Michael Groth	Los Angeles, USA	Common Pitfalls in patient selection in oculoplastic surgery
8:25 - 8:40	Michael Groth	Los Angeles, USA	Volumising the Lid: Fat preservation and re-positioning in upper blepharoplasty, restoring the pre-septal convexity
8:40 - 9:10	Bryan Mendelson	Melbourne, Australia	Illusion in upper eyelid aesthetics - Tarsal Fixation results are real and illusion
9:10 - 9:30	Paul Nassif	Los Angeles, USA	Combining Eyelid with Facial Surgery
9:30 - 9:50	Simon Taylor Benjamin Burt	Melbourne, Australia Sydney, Australia	Managing patient expectations and how to select the correct surgical options
9.55 - 10:05	Discussion		

10:05 - 10:30 Morning Tea

Upper Eyelid

Moderator-Simon Taylor

10:30 - 10:40	Peter Callan	Melbourne, Australia	Standardising the upper lid blepharoplasty
10:40 - 10:50	George Charonis	Athens, Greece	Avoiding the "incomplete" upper eyelid blepharoplasty: clinical assessment and surgical techniques.
10:50 - 11:10	Michael Groth	Los Angeles, USA	Fat preservation and re-positioning in upper blepharoplasty, restoring the pre-septal convexity
11:10 - 11:30	Chia Chi Kao	Los Angeles, USA	Contour Eyelift: a non-incisional endoscopic upper eyelid and periorbital rejuvenation The Ponytail lift: 16 year experience with endoscopic multimodality facial rejuvenation
11:30 - 11:40	Yoon Duck Kim	Seoul, Sth Korea	Tips on double eyelid operation in Asian patients
11:40 - 11:50	Yoon Duck Kim	Seoul, Sth Korea	Epicanthoplasty in Asian eyelids
11:50 - 12:05	Warwick Nettle	Sydney, Australia	Periocular Muscle Manipulations-Corrugator and the Orbicularis
12:05 - 12:15	Angelo Tsirbas	Sydney, Australia	Conjunctival-Mullerectomy for cosmetic ptosis - why not do it transcutaneously?
12:15 - 12:25	Andrew Kim	Sydney, Australia	High double fold correction

12:25 - 12:45 Discussion

12:45 - 13:45 Lunch

**3RD TRIENNIAL
MULTIDISCIPLINARY
MASTERS' SYMPOSIUM ON
BLEPHAROPLASTY AND
FACIAL REJUVENATION**

PROGRAMME DAY ONE

ICC Sydney | Level 4, Room C4.4, 14 Darling Drive, Darling Harbour

Day 1 Friday 1 September

Brow Rejuvenation

Moderator-George Marcells

13:45 - 14:00	Julian Perry	Cleveland, USA	The forehead - aging , anatomy, and rejuvenation
14:00 - 14:10	George Marcells	Sydney, Australia	Endocoronal Brow Lifting
14:10 - 14:30	Michael Groth	Los Angeles, USA	Endoscopic brow lifting , selecting and adjusting the height and contour
14:30 - 14:45	Guy Massry	Los Angeles, USA	15 principles for enhanced success in endoscopic brow lifting : my approach
14:45 - 15:05	Bryan Mendelson	Melbourne, Australia	The impact of the bony orbital frame on upper lid aesthetics. Surgical applications to enhance aesthetics.
15:05 - 15:15	John McCann	Salt Lake City, USA	Polar approach to periocular rejuvenation
15:15 - 15:30	Francesco Bernardini	Milan, Italy	Vertical endoscopic Lifting and Fat grafting for the Periocular Aesthetic unit.
15:30 - 15:40	Discussion		
15:40- 16:00	Afternoon Tea		

Refining The Canthal Position

Moderator-Benjamin Burt

16:00 - 16:15	Guy Massry	Los Angeles, USA	De-confusing aesthetic canthal suspension surgery: my experience
16:15 - 16:25	Alan Lessner	Gainesville, USA	Minimally invasive approaches to canthoplasty techniques for cosmetic blepharoplasty
16:25 - 16:35	Byoung Jin Kim	Seoul, Sth Korea	Optimised epicanthoplasty in Asian eyes
16:35 - 16:45	Andrew Kim	Sydney, Australia	Medial epicanthoplasty-Technique modifications for Asian populations
16:45 - 16:55	Harry Marshak	Palm Springs, USA	Minimally invasive Lateral canthal tendon release and tuck via small sub-ciliary incision
16:55 - 17:10	Terence Poon	Sydney, Australia	Advances in non-surgical skin treatments & periocular rejuvenation
17:10 - 17:20	Keynote speakers Groth / Massry / Mendelson / Nassif		

Symposium On Non Invasive Rejuvenation Proudly Supported By Allergan

Moderator-Angelo Tsirbas

17:20 - 17:40	Peter Callan	Melbourne, Australia	Non invasive Rejuvenation and Shaping
17:40 - 18:35	Peter Callan	Melbourne, Australia	Live injecting: upper face/brow/ temple/periorbital rejuvenation
18:35 - 19:00	AAFPS Annual General Meeting		
18:00 - 21:00	Welcome Drinks - Sponsored by Merz Australia at The Port, Darling Harbour		

**3RD TRIENNIAL
MULTIDISCIPLINARY
MASTERS' SYMPOSIUM ON
BLEPHAROPLASTY AND
FACIAL REJUVENATION**

PROGRAMME DAY TWO

ICC Sydney | Level 4, Room C4.4, 14 Darling Drive, Darling Harbour

Day 2 Saturday 2 September

Introduction - Difficult Patients And The 21st Century Cosmetic Surgery Landscape

Moderator-Benjamin Burt

8:00 - 8:20	Michael Groth	Los Angeles, USA	Little things that make a big difference in blepharoplasty.
8:20 - 8:40	Robert Goldberg	Los Angeles, USA	Customized planning and detailed diagnosis for blepharoplasty
8:40 - 8:50	Brian Leatherbarrow	Manchester, UK	Complications of blepharoplasty - prevention and management
8:50 - 9:05	Paul Nassif	Los Angeles, USA	"The Good ,the Bad and the Ugly"
9:05 - 9:20	Guy Massry	Los Angeles, USA	Contemporary thoughts on post-blepharoplasty lower eyelid retraction
9:20 - 9:35	Robert Goldberg	Los Angeles, USA	The unhappy blepharoplasty patient
9:35 - 9:45	Sean Paul	Austin, USA	Social Media and the aesthetic surgeon
9:45 - 10:00	Paul Nassif	Los Angeles, USA	The Aesthetic surgeon and the Media - How to get your own TV show
10:00 - 10:30	Morning Tea		

Lower Eyelid Latest Concepts

Moderator George Marcells

10:30 - 11:00	Bryan Mendelson	Melbourne, Australia	The impact of skeletal aging of the lid cheek area and its correction.
11:00 - 11:10	Paul Nassif	Los Angeles, USA	Fat repositioning surgery
11:10 - 11:25	Michael Groth	Los Angeles, USA	Fat preservation and re-positioning in lower blepharoplasty, effacing the orbital rim depression.
11:25 - 11:35	Brian Leatherbarrow	Manchester, UK	Transconjunctival lower blepharoplasty with fat repositioning avoiding the complications
11:35 - 11:45	Harry Marshak	Palm Springs, USA	Minimally invasive lower blepharoplasty: pre-periosteal fat transposition with orbito-malar ligament release and orbicularis suspension
11:45 - 11:55	George Charonis	Athens, Greece	Lower eyelid blepharoplasty techniques--transcutaneous approach
11:55 - 12:15	Francesco Bernardini	Milan, Italy	Double plane lower lid blepharoplasty: an algorithm for the young patient
12:15 - 12:35	Robert Goldberg	Los Angeles, USA	Lower blepharoplasty: options for fat removal and fat addition
12:35 - 13:40	Lunch

MULTIDISCIPLINARY
MASTERS' SYMPOSIUM ON
BLEPHAROPLASTY AND
FACIAL REJUVENATION**

PROGRAMME DAY TWO

ICC Sydney | Level 4, Room C4.4, 14 Darling Drive, Darling Harbour

Day 2 Saturday 2 September

Lower Eyelid Advanced Surgical Techniques

Moderator Simon Taylor

13:40 - 13:55	Guy Massry	Los Angeles, USA	Nuances in lower blepharoplasty: lessons learned along the way
13:55 - 14:05	Peter Callan	Melbourne, Australia	Why I no longer use a transcutaneous approach in lower lid blepharoplasty
14:05- 14:20	Mark Ashton	Melbourne, Australia	Lymphatics and chemosis
14:20 - 14:30	John McCann	Salt Lake City, USA	Improving the post-blepharoplasty experience: compressive goggles
14:30 - 14:45	Jeffrey Schiller	New York, USA	Midcheek approach through the lower eyelid balancing the lid cheek junction
14:45 - 15:00	Roman Shinder	New York, USA	Surgical management of orbital fat prolapse using local anaesthetic in an office setting
15:00 - 15:10	Michael Groth	Los Angeles, USA	Complications and management of peri-ocular fat grafting

15:10 - 15:40 Afternoon Tea

Conclusion - Symposium On Non Invasive Rejuvenation: Longevity And Complications

Moderator-Angelo Tsirbas

15:40 - 16:00	Mark Ashton & Peter Callan	Melbourne, Australia	Anatomical basis of Necrosis and Blindness in HA filler injections
16:00 - 16:10	Diana Rubel	Canberra, Australia	Cosmeceuticals and the Latest on Skin Regeneration
16:10 - 16:20	Robert Goldberg & Danica Fiaschetti	Los Angeles, USA	Long term results of periorbital Restylane: 12 year follow-up
16:20 - 16:35	Catherine Hwang	Cleveland, USA	Filler complications inc blindness..WHAT ARE THE REAL FIGURES?
16:35 - 16:45	Sean Paul	Austin, USA	Getting rid of the fat-kybella - does it have a future and what is its role in facial aesthetics?
16:45 - 16:55	Paul Rosser	Auckland, NZ	Acute management of blindness from filler injections - emergency essentials
16:55 - 17:15	Guy Massry	Los Angeles, USA	Improving Periorbital Aesthetics with Hyaluronic Acid Gel volume replacement
17:15 - 17:35	Conclusion - Keynote speakers panel discussion		What I am doing differently compared to three years ago, and what I think I will be doing in three years?

18:30 - 23:00 Conference Dinner - MCA Harbourside, Circular Quay
