

# HAND SELECTED BARREL COCKTAIL

Recently, some members of our staff visited distinct distilleries in Kentucky and Tennessee to hand select unique whiskey and bourbon barrels for us. Out of these specialty barrels, limited edition cocktails were developed exclusive to Strategic Hospitality venues - including Merchants, The Patterson House, and Pinewood Social. We hope you feel so inclined as to give one a try and enjoy a refreshing take on a classic spirit.

## BLOOD & SAND

corsair triple smoke cask strength, punt e mes, cherry heering, orange, lemon, demerara 14
