

## **Australian Catholic University [ACU]**

- Accounts for 2.5% of total students surveyed
- 8.1% assaulted compared to 6.9% national average
- 1.1% assaulted in uni setting compared to 1.6% national average
- More than 50% know little or nothing about who/where to go in uni to get support
- More than 56% have little or no knowledge about where to make complaint.
- More than 49% have little or no knowledge about university policy on sexual assault

## **Australian National University [ANU]**

- Accounts for 4.8% of total students surveyed
- 7.9% assaulted compared to 6.9% national average
- 3.5% assaulted in uni setting compared to 1.6% national average
- More than 52% know little or nothing about who/where to go in uni to get support.
- More than 60% have little or no knowledge about where to make complaint.
- More than 51% have little or no knowledge about uni policy on sexual assault

## **Bond University [Bond]**

- Accounts for 1.1% of total students surveyed
- 8.7% assaulted compared to 6.9% national average
- 2.7% assaulted in uni setting compared to 1.6% national average
- More than 53% know little or nothing about who/where to go in uni to get support
- More than 54% have little or no knowledge about where to make complaint.
- More than 50% have little or no knowledge about university policy on sexual assault

## **Central Queensland University [CQU]**

- Accounts for 1.2% of total students surveyed
- 4.2% assaulted compared to 6.9% national average

- 0.5% assaulted in uni setting compared to 1.6% national average
- More than 50% know little or nothing about who/where to go in uni to get support.
- More than 54% have little or no knowledge about where to make complaint.
- More than 48% have little or no knowledge about uni policy on sexual assault

### **Charles Darwin University [CDU]**

- Accounts for 1.2% of total students surveyed
- 5.2% assaulted compared to 6.9% national average
- 1.3% assaulted in uni setting compared to 1.6% national average
- More than 50% know little or nothing about who/where to go in uni to get support.
- More than 49% have little or no knowledge about where to make complaint.
- More than 52% have little or no knowledge about uni policy on sexual assault

### **Charles Sturt University [CSU]**

- Accounts for 2.6% of total students surveyed
- 6.6% assaulted compared to 6.9% national average
- 3.3% assaulted in uni setting compared to 1.6% national average
- More than 51% know little or nothing about who/where to go in uni to get support.
- More than 54% have little or no knowledge about where to make complaint.
- More than 49% have little or no knowledge about uni policy on sexual assault

### **Curtin University [CURTIN]**

- Accounts for 3.5% of total students surveyed
- 6% assaulted compared to 6.9% national average
- 0.3% assaulted in uni setting compared to 1.6% national average
- More than 58% know little or nothing about who/where to go in uni to get support.
- More than 61% have little or no knowledge about where to make complaint.
- More than 51% have little or no knowledge about uni policy on sexual assault

## **Deakin University [Deakin]**

- Accounts for 2.1% of total students surveyed
- 8.2% assaulted compared to 6.9% national average
- 2.3% assaulted in uni setting compared to 1.6% national average
- More than 52% know little or nothing about who/where to go in uni to get support.
- More than 57% have little or no knowledge about where to make complaint.
- More than 48% have little or no knowledge about uni policy on sexual assault

## **Edith Cowan University [ECU]**

- Accounts for 2.9% of total students surveyed
- 6.8% assaulted compared to 6.9% national average
- 0.6% assaulted in uni setting compared to 1.6% national average
- More than 61% know little or nothing about who/where to go in uni to get support.
- More than 65% have little or no knowledge about where to make complaint.
- More than 58% have little or no knowledge about uni policy on sexual assault

## **Federation University [FEDUNI]**

- Accounts for 1.3% of total students surveyed
- 4.7% assaulted compared to 6.9% national average
- 0.6% assaulted in uni setting compared to 1.6% national average
- More than 41% know little or nothing about who/where to go in uni to get support.
- More than 50% have little or no knowledge about where to make complaint.
- More than 42% have little or no knowledge about uni policy on sexual assault

## **Flinders University [FLINDERS]**

- Accounts for 1.0% of total students surveyed
- 5.5% assaulted compared to 6.9% national average
- 0.2% assaulted in uni setting compared to 1.6% nat average

- More than 45% know little or nothing about who/where to go in uni to get support.
- More than 49% have little or no knowledge about where to make complaint.
- More than 41% have little or no knowledge about uni policy on sexual assault

### **Griffith University [GRIFFITH]**

- Accounts for 2.8% of total students surveyed
- 6.9% assaulted compared to 6.9% national average
- 1.8% assaulted in uni setting compared to 1.6% national average
- More than 54% know little or nothing about who/where to go in uni to get support.
- More than 57% have little or no knowledge about where to make complaint.
- More than 52% have little or no knowledge about uni policy on sexual assault

### **James Cook University [JCU]**

- Accounts for 2.7% of total students surveyed
- 8% assaulted compared to 6.9% national average
- 1.8% assaulted in uni setting compared to 1.6% national average
- More than 52% know little or nothing about who/where to go in uni to get support.
- More than 56% have little or no knowledge about where to make complaint.
- More than 53% have little or no knowledge about uni policy on sexual assault

### **La Trobe University [LATROBE]**

- Accounts for 3.1% of total students surveyed
- 8.8% assaulted compared to 6.9% national average
- 1.7% assaulted in uni setting compared to 1.6% national average
- More than 57% know little or nothing about who/where to go in uni to get support.
- More than 64% have little or no knowledge about where to make complaint.
- More than 55% have little or no knowledge about uni policy on sexual assault

## **Macquarie University [MACQUARIE]**

- Accounts for 3.1% of total students surveyed
- 8.1% assaulted compared to 6.9% national average
- 1.8% assaulted in uni setting compared to 1.6% national average
- More than 53% know little or nothing about who/where to go in uni to get support.
- More than 61% have little or no knowledge about where to make complaint.
- More than 55% have little or no knowledge about uni policy on sexual assault

## **Monash University [MONASH]**

- Accounts for 4.9% of total students surveyed
- 6.5% assaulted compared to 6.9% national average
- 1.5% assaulted in uni setting compared to 1.6% national average
- More than 56% know little or nothing about who/where to go in uni to get support.
- More than 57% have little or no knowledge about where to make complaint.
- More than 48% have little or no knowledge about uni policy on sexual assault

## **Murdoch University [MURDOCH]**

- Accounts for 1.5% of total students surveyed
- 7.3% assaulted compared to 6.9% national average
- 0.8% assaulted in uni setting compared to 1.6% national average
- More than 54% know little or nothing about who/where to go in uni to get support.
- More than 59% have little or no knowledge about where to make complaint.
- More than 57% have little or no knowledge about uni policy on sexual assault

## **Queensland University of Technology [QUT]**

- Accounts for 4.5% of total students surveyed
- 7% assaulted compared to 6.9% national average
- 2% assaulted in uni setting compared to 1.6% national average

- More than 55% know little or nothing about who/where to go in uni to get support.
- More than 61% have little or no knowledge about where to make complaint.
- More than 51% have little or no knowledge about uni policy on sexual assault

### **RMIT University [RMIT]**

- Accounts for 1.9% of total students surveyed
- 7.4% assaulted compared to 6.9% national average
- 2.1% assaulted in uni setting compared to 1.6% nat average
- More than 61% know little or nothing about who/where to go in uni to get support.
- More than 68% have little or no knowledge about where to make complaint.
- More than 61% have little or no knowledge about uni policy on sexual assault

### **Southern Cross University [SCU]**

- Accounts for 0.8% of total students surveyed
- 6.9% assaulted compared to 6.9% national average
- 2.6% assaulted in uni setting compared to 1.6% nat average
- More than 53% know little or nothing about who/where to go in uni to get support.
- More than 58% have little or no knowledge about where to make complaint.
- More than 52% have little or no knowledge about uni policy on sexual assault

### **Swinburne University of Technology [SWINBURNE]**

- Accounts for 1.5% of total students surveyed
- 4% assaulted compared to 6.9% national average
- 0.2% assaulted in uni setting compared to 1.6% national average
- More than 47% know little or nothing about who/where to go in uni to get support.
- More than 51% have little or no knowledge about where to make complaint.
- More than 45% have little or no knowledge about uni policy on sexual assault

### **University of Adelaide [ADELAIDE]**

- Accounts for 3.8% of total students surveyed

- 6.7% assaulted compared to 6.9% national average
- 0.8% assaulted in uni setting compared to 1.6% national average
- More than 57% know little or nothing about who/where to go in uni to get support.
- More than 62% have little or no knowledge about where to make complaint.
- More than 53% have little or no knowledge about uni policy on sexual assault

### **University of Canberra [CANBERRA]**

- Accounts for 1.5% of total students surveyed
- 7.2% assaulted compared to 6.9% national average
- 1.1% assaulted in uni setting compared to 1.6% national average
- More than 53% know little or nothing about who/where to go in uni to get support.
- More than 57% have little or no knowledge about where to make complaint.
- More than 48% have little or no knowledge about uni policy on sexual assault

### **University of Melbourne [MELBOURNE]**

- Accounts for 7.5% of total students surveyed
- 6.2% assaulted compared to 6.9% national average
- 1.5% assaulted in uni setting compared to 1.6% national average
- More than 67% know little or nothing about who/where to go in uni to get support.
- More than 71% have little or no knowledge about where to make complaint.
- More than 67% have little or no knowledge about uni policy on sexual assault

### **University of New England [UNE]**

- Accounts for 1.8% of total students surveyed
- 10% assaulted compared to 6.9% national average
- 4% assaulted in uni setting compared to 1.6% national average
- More than 46% know little or nothing about who/where to go in uni to get support.
- More than 53% have little or no knowledge about where to make complaint.
- More than 51% have little or no knowledge about uni policy on sexual assault

## **University of New South Wales [UNSW]**

- Accounts for 2.4% of total students surveyed
- 5.5% assaulted compared to 6.9% national average
- 1.3% assaulted in uni setting compared to 1.6% national average
- More than 63% know little or nothing about who/where to go in uni to get support.
- More than 67% have little or no knowledge about where to make complaint.
- More than 55% have little or no knowledge about uni policy on sexual assault

## **University of Newcastle [NEWCASTLE]**

- Accounts for 2% of total students surveyed
- 8% assaulted compared to 6.9% national average
- 1.4% assaulted in uni setting compared to 1.6% national average
- More than 51% know little or nothing about who/where to go in uni to get support.
- More than 58% have little or no knowledge about where to make complaint.
- More than 53% have little or no knowledge about uni policy on sexual assault

## **University of Notre Dame [UNDA]**

- Accounts for 1.2% of total students surveyed
- 8% assaulted compared to 6.9% national average
- 1.1% assaulted in uni setting compared to 1.6% national average
- More than 57% know little or nothing about who/where to go in uni to get support.
- More than 61% have little or no knowledge about where to make complaint.
- More than 57% have little or no knowledge about uni policy on sexual assault

## **University of Queensland [UQ]**

- Accounts for 5.4% of total students surveyed
- 5.4% assaulted compared to 6.9% national average
- 1.1% assaulted in uni setting compared to 1.6% national average

- More than 60% know little or nothing about who/where to go in uni to get support.
- More than 64% have little or no knowledge about where to make complaint.
- More than 58% have little or no knowledge about uni policy on sexual assault

### **University of South Australia [UniSA]**

- Accounts for 2% of total students surveyed
- 8.5% assaulted compared to 6.9% national average
- 3% assaulted in uni setting compared to 1.6% national average
- More than 59% know little or nothing about who/where to go in uni to get support.
- More than 65% have little or no knowledge about where to make complaint.
- More than 58% have little or no knowledge about uni policy on sexual assault

### **University of Southern Queensland [USQ]**

- Accounts for 1.7% of total students surveyed
- 7.7% assaulted compared to 6.9% national average
- 0.8% assaulted in uni setting compared to 1.6% national average
- More than 48% know little or nothing about who/where to go in uni to get support.
- More than 50% have little or no knowledge about where to make complaint.
- More than 50% have little or no knowledge about uni policy on sexual assault

### **University of Sydney [SYDNEY]**

- Accounts for 3.0% of total students surveyed
- 7.3% assaulted compared to 6.9% national average
- 2.5% assaulted in uni setting compared to 1.6% national average
- More than 68% know little or nothing about who/where to go in uni to get support.
- More than 72% have little or no knowledge about where to make complaint.
- More than 61% have little or no knowledge about uni policy on sexual assault

### **University of Tasmania [UTAS]**

- Accounts for 1.6% of total students surveyed

- 6.5% assaulted compared to 6.9% national average
- 1.8% assaulted in uni setting compared to 1.6% national average
- More than 55% know little or nothing about who/where to go in uni to get support.
- More than 60% have little or no knowledge about where to make complaint.
- More than 52% have little or no knowledge about uni policy on sexual assault

### **University of Technology Sydney [UTS]**

- Accounts for 2.6% of total students surveyed
- 8.3% assaulted compared to 6.9% national average
- 2.2% assaulted in uni setting compared to 1.6% national average
- More than 58% know little or nothing about who/where to go in uni to get support.
- More than 61% have little or no knowledge about where to make complaint.
- More than 47% have little or no knowledge about uni policy on sexual assault

### **University of the Sunshine Coast [USC]**

- Accounts for 1.9% of total students surveyed
- 8.8% assaulted compared to 6.9% national average
- 1.0% assaulted in uni setting compared to 1.6% national average
- More than 53% know little or nothing about who/where to go in uni to get support.
- More than 60% have little or no knowledge about where to make complaint.
- More than 53% have little or no knowledge about uni policy on sexual assault

### **University of Western Australia [UWA]**

- Accounts for 4.9% of total students surveyed
- 7.9% assaulted compared to 6.9% national average
- 2.2% assaulted in uni setting compared to 1.6% national average
- More than 62% know little or nothing about who/where to go in uni to get support.
- More than 67% have little or no knowledge about where to make complaint.
- More than 61% have little or no knowledge about uni policy on sexual assault

## **University of Wollongong [UOW]**

- Accounts for 2.4% of total students surveyed
- 5.1% assaulted compared to 6.9% national average
- 1.2% assaulted in uni setting compared to 1.6% national average
- More than 56% know little or nothing about who/where to go in uni to get support.
- More than 61% have little or no knowledge about where to make complaint.
- More than 52% have little or no knowledge about uni policy on sexual assault

## **Victoria University [VICUNI]**

- Accounts for 1.6% of total students surveyed
- 7.3% assaulted compared to 6.9% national average
- 0.7% assaulted in uni setting compared to 1.6% national average
- More than 52% know little or nothing about who/where to go in uni to get support.
- More than 54% have little or no knowledge about where to make complaint.
- More than 52% have little or no knowledge about uni policy on sexual assault

## **Western Sydney University [UWS]**

- Accounts for 2.0% of total students surveyed
- 5.7% assaulted compared to 6.9% national average
- 0.6% assaulted in uni setting compared to 1.6% national average
- More than 56% know little or nothing about who/where to go in uni to get support.
- More than 60% have little or no knowledge about where to make complaint.
- More than 53% have little or no knowledge about uni policy on sexual assault
