Grace Medical Home Announces Two New Members to Board of Directors
Orlando, FL: [Grace Medical Home](#) announced today that two new members have been added to the Board of Directors. The new members are David Strong and Dr. Rodney Lovett. Both of these amazing leaders bring incredible skills and expertise to the current Grace Medical Home Board of Directors. Specifically, their health care expertise and experience in providing health care services to an underserved population will be invaluable as we grow and continue to manage the complex medical needs of the low-income, uninsured in Central Florida.

David Strong is President and CEO of Orlando Health, where he provides leadership, strategic guidance, and direction to the organization which consists of eight wholly-owned or partnership hospitals; Orlando Health Physician Group and Physician Associates, two of the largest multi-specialty practices in Central Florida; ownership in an outpatient surgery center, and a subsidiary interest in five outpatient imaging centers. Prior to joining Orlando Health he served as chief operating officer of UNC Health Care in Chapel Hill, NC.

Doctor Rodney Lovett is a graduate of Kansas University Medical School. He retired in 2010 from the practice of general surgery and endoscopy at Mercy Hospital. He also served in the U.S. Air Force at Barksdale AFB in Louisiana for two years and during his time in North Carolina Dr. Lovett had the opportunity of going on a number of short-term medical mission trips in conjunction with Franklin Graham of the Billy Graham Association and World Medical Mission and was temporarily in locum tenens surgical work in Pennsylvania.

Grace Medical Home provides comprehensive primary care for low income, uninsured men, women and children who do not qualify for Medicare, Medicaid or secured health insurance through the affordable health care act.

Our Mission: To provide comprehensive, excellent medical care for the whole person through an ongoing relationship for the underserved of Orange County, Florida.

Dr. Rodney Lovett
