

JOYCE OWENS FAIA RIBA

Principal - Architecture Joyce Owens llc

As an ambassador of modern design, A.J.O. redefines the experience of working with an architect. Our team takes pride in providing a unique comprehensive design service which includes architecture, interiors, furniture, lighting, and, an unparalleled attention to detail.

Joyce Owens, FAIA, RIBA, has led her architecture/interior design practice in Southwest Florida since 2007, designing sensitive and suitable commercial and residential buildings and interiors particularly appropriate to Florida's tropical climate. Already the recipient of the American Institute of Architects Florida State Chapter (AIA Florida) Medal of Honor for Design in 2020, Joyce has been awarded the 2022 AIA Florida Gold Medal, the highest award for lifetime achievement and, is proud to be the first woman in the state chapter's 110-year-history to receive the honor.
