- Ranjan (new volunteer)
- Ariel
- Emily
- Kevin

Additional:

- Mr. Dan Little, First Gentleman of Oregon

## **Trip Overview**

### **How does the agenda fulfill our goals of exploration, education, and empowerment?**

This trip is a celebration for our cohort and will be a great way to kick off their holiday seasons with some classic rainy Oregon fun. At the Oregon Garden, we will be exploring the grounds on our own. While a tour guide would be nice in giving the students someone with authority and information about the environments they are exploring, they will still enjoy their chance to independently explore the garden. Hopefully, the students are empowered to lead the group to the areas of the garden which most interest them and ask about the plants and environments they see.

At Silver Falls State Park, the students will have the opportunity to pursue whichever activities most inspire them as they explore the park and its annual Christmas Festival. The students can enjoy storytelling, holiday crafts, live music, gingerbread house-making, and more. Additionally, if they're interested, there are many short trails in the park that offer beautiful views of powerful waterfalls. After all this recent rain, the waterfalls will look particularly magnificent!

### **Which organizations are we partnering with, and have we asked about discounts, cooperative promotions, and communications?**

During this trip, we are engaging with two well-loved Oregon organizations: the Oregon Garden and Silver Falls State Park. At Silver Falls State Park, we will participate in their all-day Christmas Festival. We will reach out to both locations to inquire about cross-promotion on our social media pages.
