LIMITATIONS:

The sound recordings/audio files contained within the product deliverables may not be resold as part of another sample library or collection of audio tracks using the recordings, in part or in whole. Modified or manipulated recordings of the original purchased sound recordings/audio files may also not be sold as part of another sample library. The sound recordings/audio files may not be copied or sold for financial gain or profit, except when used in the licensee's media productions as part of a greater body of work. Remote sites are forbidden from access to Sound Spark LLC products or sound recordings/audio files unless a multi-user license is purchased. The purchased sound recordings/audio files may not be stored as a collection that is intended for multi-user use without first purchasing a multi-user license.

- i. Store or share the sound recordings/audio files on a server without a Multi-user license, unless necessary to complete a project started by the original single user licensee where said files are already in use in a greater body of work.
- ii. Claim any ownership or authorship of the sound recording/audio files or any modified or manipulated versions of said recordings/files.
- iii. Sell the sound recordings/audio files or any modified or manipulated versions of said recordings/files to individuals or groups. (The recordings may be sold as part of your production/product as long as it is not another sample library.)
- iv. Share or store the sound recordings/audio files on a public server or torrent site.

License Allowances:

- i. Use the sound recordings/audio files in any type of media production that isn't a sample library or collection of audio recordings that are re-sold/licensed. Such productions include, but are not limited to, music, games, films, websites, live sound, theatre, radio and broadcast.
- ii. Storage of the sound recordings/audio files collections on up to three personal computers.
- iii. Use specific sound recordings as part of a larger project and share the

sounds on other systems in order to complete that specific work, so long as you are not re-distributing, selling the sounds or sharing the general collection (in part or in whole) on a server.

TERMINATION:

The license granted to you is effective until terminated. The license will terminate automatically without any notice from Sound Spark LLC if you fail to comply with any term or condition of this agreement. Any product governed by this license is non-refundable. In no event shall Sound Spark LLC be liable for any damages (including without limitation, incidental, direct, indirect, special or consequential damages, damages for loss of business profits, business interruption, loss of business information, or other pecuniary loss) arising out of the use of inability to use any product, even if Sound Spark LLC have been advised of the possibility of such damages.
