

DISCLOSURE & RELEASE AGREEMENT FOR COSMETIC TATTOOING/MICROPIGMENTATION

Please read and fill out this "Disclosure & Release Agreement" completely, making certain that you understand all information provided, and that your information is correct.

You have the right to be informed so that you may make the decision whether or not to undergo the procedure, after knowing the risks and hazards involved. This disclosure is simply an effort to make you better informed so you may give, or withhold, your consent to the procedure.

Please read and INITIAL the statements below to indicate:

I understand the following completely:

- No food, drinks, or making/receiving phone calls are allowed in the procedure area. Minimal texting or email is totally fine, as long as it does not interfere with the procedure. (This applies to any guests of the client as well.)

- No warranty has been made to me as a result of this semi permanent makeup, micro-pigmentation or correction procedure, and that the final result cannot be guaranteed.

- There may be risk of infection if aftercare instructions are not followed.

- I realize that there is potential for discomfort during the procedure and during the healing process.

- There is a possibility of bleeding, swelling, and allergic reactions to the pigments used.

- Cosmetic tattooing is considered semi-permanent, and will fade with time.

- A tattoo can only be removed with surgical or laser procedures, and that any effective removal may leave permanent scarring or disfigurement.

- Misplacement or migration of the pigment can occur, under rare circumstances, requiring excision and/or correction of the misplaced pigment.

- I have reviewed the FAQ & Policies sections on www.studiosashiko.com prior to my appointment, and I understand the info there, and have had any further questions I've had answered.

- My technician will not, under any circumstance, perform any procedures on me if I am known to have any allergies related to the products used. (Our pigments contain: Sterile Water, Glycerin, Isopropyl Alcohol, Iron Oxides, Titanium Dioxide, Chromium Oxide)

- I understand that I must inform my technician of any and all medication(s) I am currently taking. (Pain control medications such as aspirin or ibuprofen may cause the blood to thin, and excessive bleeding may occur during or after the procedure.)

- I do not currently take Accutane and/or have not taken for at least 12 months.
