ACTIVITY: MAKE GLASSES

TAKE A CLOSER LOOK

Why do people wear glasses? What reasons can you think of?

1. Look at the print Fashion by Caroline Durieux. What colors do you think the lady’s glasses are? Color and add designs to your glasses to reflect your personality.

Caroline Durieux was an artist who sometimes liked to poke fun at people.

What is funny about the portrait Fashion?

2. Carefully cut out the parts of the glasses. Ask a parent or adult for help cutting out the lens area. Fold tab A and B. Using a glue stick, glue one arm to tab A and one to tab B.

3. Try on your glasses
