The Brighton Competition Team hosts competitions and many off-snow events each year. The team relies on volunteer support, specifically family support. The Team requires each athlete's parent(s) to work a minimum of TWO (2) competition days and one (1) ski school race day during the season. You do not have to ski/board; there are many jobs, such as maintaining the scoreboard, timing, etc., which do not require you to ski/board. To ensure everyone's support, the Team requires a Family Work Deposit in the amount of **\$250.00 per family**. If the minimum number of race days is worked, this deposit is credited to your race account on May 15, 2017 for the next season, or if requested, will be refunded to you after May 15, 2017. Failure to work the minimum number of race days will result in the loss of the work deposit. To help us understand who is available to help out, please circle the dates which you would like, as we need at least 45 volunteers per USSA race day to host our races/competitions.
