You do not have to ski/board; there are many jobs that do not require you to ski/board. To ensure everyone's support, the Team requires a Family Work Deposit in the amount of **\$250.00 per family**. If the minimum number of race days is worked, this deposit is credited to your race account on May 15, 2018 for the next season, or if requested, will be refunded to you after May 15, 2018. The focus will be on balance and stance through directed free skiing. The athletes will learn basic race fundamentals along with skiing safety and proper mountain etiquette. The program includes all-mountain skiing, introduction to gate training and ski racing. While the FAST 5's cannot race, they can forerun if we feel conditions are appropriate, and we will also have them racing the ski school races, as well as at our family fun ski day at the conclusion of the season.
