Board Meetings

The Board of Trustees holds meetings, nine/ten times each year. During these meetings the Board deliberates on matters of school policy and institutional concerns. At times, the Board invites speakers from the School or the wider community to address the body on timely issues, primarily for its own edification.

Parents or others may speak at a meeting by being placed on the agenda, either as an invited speaker, or by requesting a formal opportunity to address the Board in person. This request must be made in writing to the Board Chair two weeks in advance of the requested meeting date. Prior to making such a significant request, the Board expects parents to bring any idea or concern about school policy, first to the Head of School, and then, if necessary, to the Board via a written letter to its Chair.

Please note that when the Board adjourns into executive session, all observers, staff members and any outside persons are required to leave the meeting. (*Parent Handbook 2016 p.9*)
