

BODY

BAMBOO RENEW

STORY

Our revitalizing body scrub will invigorate your skin (and your senses) with polishing Walnut Shell powder, Bamboo, and a refreshing essential oil blend of Lemongrass, Mimosa Flower, and Litsea.

STARS OF THE SHOW

Walnut Shell - naturally exfoliates and removes dead or dry skin cells.

Bamboo Powder - this ingredient, from the hill forests of India, makes skin more vibrant.

Algae and Rice Extracts - these extracts provide firming agents.

Milk Thistle - known for its exceptional moisturizing.

BEST WAY TO USE

Gently massage onto damp skin in circular motions, paying close attention to rough areas. Add water as desired to create creamy lather. Rinse with tepid water and pat dry with a soft towel. Not intended for face or neck.
