

BODY

CREME OF THE CROP

STORY

Our extra-rich, protective crème contains the highest quality Shea Butter from Africa, Safflower Seed Oil, and Essential Oils of Lavender and Orange Peel. It penetrates deeply to heal dry, cracked, and callused skin. Excellent as a daily hand crème, aiding in the health of cuticles and nails.

STARS OF THE SHOW

Shea Butter - this high quality shea butter is extracted from the shea nut in a way that doesn't decrease the benefits of this oil. The shea butter is purchased from an African production corporation that harvests responsibly to keep the indigenous shea tree thriving.

Lavender Water - soothing and hydrating ingredient that absorbs into the skin.

BEST WAY TO USE

Massage as needed onto hands and body.
