

BODY

FORTY CURE CREME

STORY

Our therapeutic body crème with Tamanu Seed (Forty Cure Tree), Lavender, Sweet Orange, and Egyptian Rose delivers deep hydration and protection for dry, rough, and cracked skin, and assists in healing Eczema. Our product name comes from the Tahitians who refer to the Tamanu seed tree as the "Forty-Cure Tree" because of the broad variety of skin ailments the seed oil can help heal.

STARS OF THE SHOW

Tamanu Seed - also known as Foraha, this giant tree in Tahiti is dubbed by locals as the "forty-cure tree." We get ours from Madagascar and it has many pain-relieving properties. Great for healing chapped skin, caused by environmental factors or Eczema.

Organic Lavender and Egyptian Rose Geranium - from Bulgaria, these have strong cellular repairing properties.

Blends of Oils - these oils, in addition to hydrating, create a therapeutic and calming environment.

BEST WAY TO USE

Massage into clean skin on dry and rough areas as often as needed. For extra hydration, apply liberally to feet and hands, then wrap in mitts and booties to ensure maximum absorption.

INGREDIENTS

Water/aqua/eau, Carthamus tinctorius (safflower) seed oil, emulsifying wax NF, Aloe barbadensis (aloe vera) leaf juice, glycerin, Butyrospermum parkii (shea) nut butter, Triticum vulgare (wheat) germ oil, Citrus aurantium dulcis (orange) peel wax, Rosmarinus officinalis (rosemary) flower/leaf water, Lavandula angustifolia (lavender) flower water, Citrus sinensis (orange) peel oil, Apis mellifera (beeswax) wax, Calophyllum inophyllum (foraha) seed oil, Symphytum officinale (comfrey) leaf extract, Plantago major (plantain) leaf extract, Rosmarinus officinalis (rosemary) leaf extract, Cedrus atlantica (cedar) wood oil, Citrus sinensis (blood orange) peel oil, Lavandula angustifolia (lavender) flower oil, Rosmarinus officinalis (rosemary) leaf extract, Helianthus annuus (sunflower) seed oil, Pelargonium graveolens (geranium) flower/leaf oil, xanthan gum, dehydroacetic acid, benzyl alcohol
