

# COMPLEXION

## PERFECT PRESSED POWDER

### STORY

Not only does this powder look flawless on, it does not have any ingredients that cause break outs and it is proven to work under lights and flashbulbs at night.

Ultra-translucent and complexion adaptable, this setting powder can be used on ultra fair to medium dark complexions and never looks dry or ashy.

This powder mattifies, does not destroy the coverage that foundation provides, and makes your makeup withstand about 10-12 hours of weather and wear.

Our Perfect Pressed Powder is fragrance-free, silicone-free, and oil-free, and paraben-free.

### BEST WAY TO USE

Dust over foundation for a matte, uniform look. Use a dusting under the eyes before eyeshadow application as a way to catch shadow fallout. Once eyeshadow application is complete, brush away powder and any shadow that has fallen on it.

### INGREDIENTS

Talc, Dimethicone, Zinc Stearate, Synthetic Wax, Zinc Oxide, Tocopheryl Acetate, Phenoxyethanol, Ethylhexylglycerin, **[+/- (May Contain):** Titanium Dioxide (CI 77891), Iron Oxides (CI 77491, CI 77492, CI 77499), Ultramarines (CI 77007), Chromium Hydroxide Greens (CI 77289), Chromium Oxide Greens (CI 77288), Manganese Violet (CI 77742), Yellow 5 Lake (CI 19140), Blue 1 Lake (CI 42090), Red 40 Lake (CI 16035)].
