

MASKS

SKIN POLISH

STORY

Our nutrient-rich scrub and mask smooths, hydrates, balances, and reduces inflammation. Natural jojoba beads roll away impurities, as well as dead and dehydrated skin cells, so oils from olives, lemon, and cypress can restore and protect the skin.

For anyone who has normal, dry, or aging skin, this mask produces amazing and immediate results.

STARS OF THE SHOW

Apricot Oil - this oil is rich in vitamins and minerals and has benefits for all skin types.

Cold-Pressed Lemon Peel Oil - this oil helps stimulate new cell growth and is proven to regenerate skin cells.

Jojoba Beads - used to naturally exfoliate dry, flakey, and devitalized cells.

Squalane - derived from olives (this compound is found in skin) it wraps around the skin helping to prevent dehydration.

BEST WAY TO USE

Apply generously to freshly cleansed and damp skin. Massage for 30 seconds and leave on for 10-15 minutes. Remove with several splashes of warm water followed by a cool water splash. Use as often as desired.
