

LED Light Tech™

LED Tube 8-Foot LED Plug & Play PLUS™

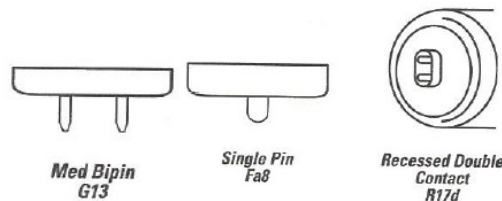

Base Options: Fa8, R17d or G13

LED Light Technology Ballast Compatible LED Plug & Play PLUS™ tubes use a patented electrical circuit which is compatible with electronic and inductive ballasts. Our LED Plug & Play PLUS™ tube is easy to install. There is no rewiring needed!

In addition the PLUS unique feature allows this LED tube to be used AFTER the ballast fails by bypassing the ballast and operating on line voltage. This is a unique and valuable feature. You save energy immediately and after the ballast fails without replacing the LED tubes.

SPECIFICATIONS:

- Length: 8ft (2,400mm)
- Power Consumption: 36W
- Voltage: 100-277VAC, 50/60Hz
- Luminous Efficacy : >120 lm/W
- CCT: 3000K, 4000K, 5000K
- Lens: Frosted, Clear
- Power Factor: >0.95
- CRI: Ra>80
- Warranty: 3 years
- Reliability Life: 50,000 hours
- Driver Type: UL Internal driver
- End Cap Options: G13, FA8 & R17d

FEATURES AND BENEFITS:

- Plug & Play or Ballast Bypass for a greater energy savings by eliminating the ballast
- More than 70% energy saving versus fluorescent tubes
- RoHS compliant, no mercury, no UV, or IR light radiation
- SMD LED light source
- UL Listed

Installation Guide:

Before installing the LED tubes follow these steps:

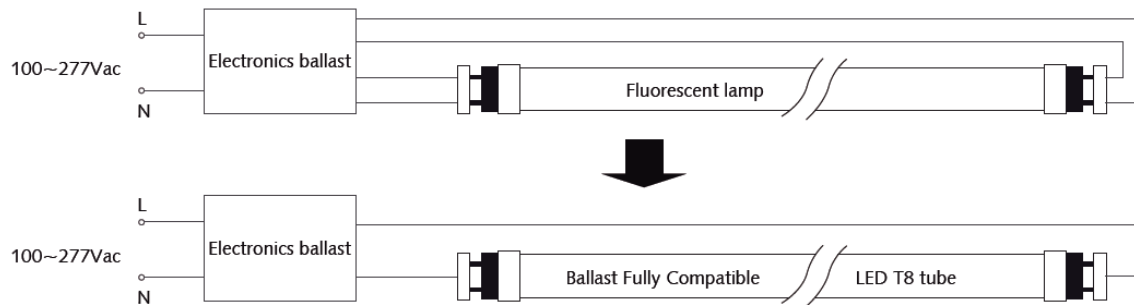

1. Remove power from the fixture by shutting circuit breaker off.
2. Remove fluorescent tube and dispose of the tube properly.
3. Install support clips 2 per tube at equal lengths from each end. Use tek screws (not provided).

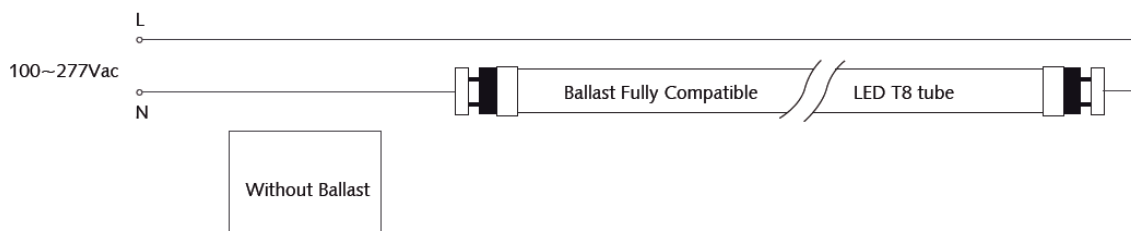

4. If the LED tube does not light then the fluorescent ballast is not compatible with the LED tube. At this time you must by pass the ballast as pictured in scenario 2 below.

SCENARIO 1 ELECTRONIC BALLAST CIRCUIT

SCENARIO 2 BYPASS EXISTING BALLAST IN THE CIRCUIT

PRODUCT ORDER CODE:

Product Order Code Example: LLT-29-T88-PNP+-36-(End Cap)-(Color)-(Diffuser)

LLT	29	T88	PNP+	36	End Cap	CCT	Diffuser
					1=Fa8	3=3000	F=Frosted
					2=R17d	4=4000	C=Clear
					3=G13	5=5000	
						6=6000	

Packaging

Item	Carton size	G.W/Carton	Quantity
8ft Tube	2520x300x300mm	37.0KG	30pcs
