

Presentations to Major Donors

The presentation items include a Major Donor crystal and a diamond pin corresponding to the level of gift. The name or names of the donors are engraved on the crystal. There should be a diamond pin for each donor. Public expressions of appreciation are recommended. Therefore, please take time during a club meeting and district event to make a meaningful presentation. Because some donors prefer to remain anonymous, however, the Trustees ask that you confer first with the recipient about a public presentation. These suggested remarks are intended as a guide for the presenter.
