SEMESTER 2 in STUDENT LIFE LOADING....

Students and Families we are excited to inform you that our reimagined virtual student life program is here!

This semester we will offer a variety of enrichment activities and programs that students can CHOOSE to attend Monday through Friday. That’s right, students will be able to choose which activities they attend throughout the week based upon their interests. This gives students more flexibility in their daily schedule and decreases screen time.

Choose from a variety of activities that include cooking, the homework center, the chill zone, DJ hour, fitness, a variety of sparks, and more! We are certain every student will find at least TWO activities that interest them.

Students, check your email on Sunday for the schedule of virtual student life activity options and we look forward to seeing you in the Student Life Zoom next week!
