WE ARE THE SEED!
On Sept. 20, 2021, Mayor Bowser signed Mayor’s Order 2021-109 requiring that effective Nov. 1, 2021, no student age 12 or older shall practice, compete, or otherwise participate in school-based extracurricular athletics (including both interscholastic and intramural sports), unless the student has received a full course of vaccination against COVID-19, or unless the student has received an approved religious or medical exemption. A full course of vaccination means individuals must have received the second dose of a two-dose series, or one dose of a single-dose series. We must continue to encourage our eligible student athletes to receive the COVID-19 vaccine as soon as possible in order to meet the requirements set out in the Mayor’s Order.

In order to ensure that we have a strong implementation process and a window to operationalize these important safety and health concerns, the City Administrator’s office has established an implementation window from 11/1-12/1 before full exclusion of student athletes from school-based extracurricular athletics is required. This additional period will enable school personnel to establish and execute systems to collect, review, certify, and record proof of COVID-19 vaccination and medical and religious exemptions.

To operationalize the student athlete vaccination requirement, student athlete exclusion from participation in school-based extracurricular athletics will not be required to be implemented before 12/1/2021. This additional period applies only to student athletes, and not adult school employees, contractors, interns, or volunteers, including athletic directors, coaches, trainers, and game officials.

Starting Dec. 1, 2021:
Student athletes who have not received a full course of vaccination against COVID-19 are to be excluded from all school-based extracurricular athletics, including tryouts, practices, drills, conditioning, and competitions (including fall playoffs and championships) until they provide proof of a full course of vaccination. This applies to student athletes participating in both fall sports and winter sports. Note: this means that to receive a full course of vaccination by Dec. 1, student athletes must receive their first dose of a two-dose series no later than 11/9.

Between 11/1 and 12/1 all student athletes who have not received the full course of vaccination will be required to wear a mask in athletic events (even if the current indoor masking order is rescinded or superseded) and are strongly encouraged to participate in weekly testing for COVID-19. Schools are encouraged to collect proof of a weekly negative test in order to allow these student athletes to continue participating in their school-based athletic activity.

Exemptions:
This additional time provides schools with sufficient time to collect, review, and approve or deny requests for religious and medical exemptions. Schools are expected to set strong internal deadlines to ensure these exemptions can be reviewed and processed by 12/1. As a reminder, LEAs and schools are responsible for reviewing and processing religious exemptions. A template for religious exemptions can be found here, and schools are strongly encouraged to use it in order to promote consistency across schools and the District. Guidance on the COVID-19 Vaccination Mandate for Student Athletes can also be found on the OSSE Guidance and Resources page here.

If an exemption is denied before 12/1, the student athlete will have five days to show proof of receiving the first dose of the COVID-19 vaccine, at which point they will remain eligible to participate in school-based athletics.

After 12/1, student athletes will need to have exemption requests processed and approved BEFORE beginning to play, or they are to be excluded from playing until either their exemption request is approved, or they show proof of a full course of vaccination.

Be reminded that it is illegal to make false statements on government forms, and that includes filing applications for exemptions in bad faith.

Student athletes that have an approved medical or religious exemption will be required to wear a mask in athletic events (even if the current indoor masking order is rescinded or superseded). Starting 12/1, student athletes with an approved exemption must be tested weekly for COVID-19 and provide a negative COVID-19 test result on a weekly basis in order to participate in their school-based athletic activity.
Attendance alerts go out daily to the parent/guardian(s) of all scholars who are marked absent in their first and second period classes. We understand that some absences are unavoidable, but please remember to send an email to attendance@seedschooldc.org in all cases. Please see below for some more reminders:

ACADEMIC ATTENDANCE GUIDELINES

EARLY DISMISSALS AND PLANNED ABSENCES
In the event, a scholar needs to leave campus during the school week and will miss any part of the school programming (academic or student life), including Sunday check-in, families should send an email to attendance@seedschooldc.org. The email should include the following:
1. Scholar’s name
2. Date(s) of absences
3. Date and time of pick-up and drop off
4. Name of an adult who will pick up the scholar (proof of identification will be required)
5. If student is departing on their own, please indicate the mode of travel (Uber, Lyft, Metro, etc.)
6. Reason for absence/appointment

Please note: All communication regarding absences must be submitted in written form by the parent/guardian/caregiver on file. SEED DC will not allow a scholar to leave campus without a prior written communication from the parent/guardian/caregiver on file. Scholars must be signed out at the front desk in the lobby for early dismissal and signed in when returning to campus. All written communication should be sent to attendance@seedschooldc.org and should include the time the student will depart and return, mode of transportation, and contact information for an adult authorized to pick the student up. This includes transportation via Metro, Uber, Lyft, or riding with other families. Staff may be directed to conduct a follow-up phone call, to confirm details or ask clarifying questions. When a scholar returns to campus following a medical visit, a signed medical note from the medical facility must be presented to the receptionist stating the reason for the absence.

If a scholar needs to leave early on a Friday, families should send an email to attendance@seedschooldc.org no later than 8 p.m. on Thursday evening. Student Life staff will be notified to have scholars bring their belongings from the residence halls in the morning to place in the academic building. Please note that emails sent after 8 a.m. will not be honored, as the residence halls are closed from 8 a.m. until student life staff arrives for check-out, 4 p.m. If you still have to pick-up your scholar, you will have to return to pick up their belongings between 4 p.m. - 5 p.m.

Absent for three (3) or more days? Please contact the Attendance Coordinator at (202) 248-7773 x5116.
CHECK-IN PROTOCOLS:
Sunday check-in is from 8 - 9:30 p.m. by grade level. Families are not permitted to enter campus during check-in, except to submit prescription and over-the-counter medication or health-related documentation to the school nurse.

Any overnight on-campus scholar who arrives after 9:30 p.m. will not be permitted access to campus and must check-in on the following morning. Any overnight on-campus scholar who does not check-in on the following morning will not be permitted to board for the remainder of their week.

SIGN-OUT PROTOCOLS:
Overnight on-campus scholars are not permitted to leave campus after 4 p.m. Monday - Thursday, except for pre-approved appointments. If a scholar leaves campus for a pre-approved appointment, the parent/guardian must return with the scholar and provide the appropriate documentation no later than 7 p.m. of the same day. EARLY DISMISSAL PROTOCOLS:
Brown Hall and Marshall Hall are not accessible during the academic day, 8 a.m. - 4 p.m. Scholars may only retrieve their belongings from the residence halls at the end of the academic day. WELLNESS SUITE MEDICATION REQUIREMENTS

Please be reminded that that only parents/guardians/caregivers or authorized adults can bring medication to the Wellness Suite. Medication will not be accepted from students and students are not allowed to carry medication on their person, with the exception of an asthma inhaler.

In order for the school to administer prescription medication, a medical authorization form must be filled out by the doctor. Parents must also sign the form before school medical personnel can administer medication. Only creams, antibiotics, or medical equipment will be sent home on Fridays during checkout and that no student will be allowed to take medication home. Be sure to request for your pharmacist to divide the medication in two (2) bottles, one to keep at home and one to be left at school. Also we have over the counter medications here and all parents should fill out the form if their student needs to take any over the counter medications. All of the medical forms mentioned here can be found on the health & wellness suite page of the school website.
