Christ Church, the "Mother Church of Georgia," was founded on February 12, 1733 and is a member of the Diocese of Georgia which, in turn, is one of 110 Dioceses which composes The Episcopal Church in the United States of America and abroad. The Episcopal Church is a constituent member of the Anglican Communion, a fellowship within the One, Holy, Catholic and Apostolic Church of those duly constituted dioceses, provinces, and regional Churches in communion with the See of Canterbury. The fellowship upholds and propagates the historic Faith and Order as set forth in the Book of Common Prayer. The current church building was constructed in 1838 and is the third one on the original site.
