

# BAYLOR

## Baylor Research and Innovation Collaborative (BRIC)

The Baylor Research and Innovation Collaborative (BRIC) provides industry and business clients with resources like laboratories, work spaces, training, and prototyping and testing so that they can move ideas from the lab to the marketplace.

The BRIC is located at 100 Research Pkwy, and ample parking is available on site. Please pull up CLOSE to the gate, which will open automatically to allow you into the parking lot.

Directions: from MLK, take Orchard Ln away from McLane Stadium, cross under Bus. 77 and turn left onto the access road; the BRIC will be on your right.
