Brainfreeze Comics Consignment Form

- Submit a single copy of your publication and a completed Consignment Form by mail or in person.
- You, the consignor, determines the retail price. The profit is split 60/40 between the consigner and Brainfreeze Comics, respectively. The wholesale amount is the retail cost MINUS 40%. For example: If a zine sells for \$5, the consigner gets \$3 (60%), and Brainfreeze gets \$2 (40%). The wholesale cost of a \$5 book is \$3 (\$5 - 40%).
- It is the consignor's responsibility to check with Brainfreeze after a month to see if their publication has sold. If it has, Brainfreeze will take 3 more copies on consignment. If the book has not sold after a month, it can be returned (at the consignor's expense), or it will be given away for free.
- If you, the consignor, do not contact Brainfreeze at the end of the month and it has not sold, it will be considered abandoned and will be given away for free.
