The **Semiahmoo Potters Society** is increasing our membership. If you are an experienced potter, who enjoys working with others as well as individually, and is interested in learning and sharing ceramic techniques, our group would welcome your involvement. For 20 years our co-op style organization has successfully shared creative skill-building workshops and actively participated in community events.

Club details and membership information (including application forms) are available on our website semiahmoopotters.com, **Facebook**, and **LinkedIn**. You can arrange for a studio visit and also connect directly with us by sending an email to

**Membership Administration: Karen karentom@telus.net
or semiahmoopotters@gmail.com.**
