

Speeding up science.

BY PUBLONS

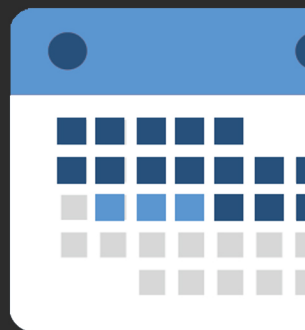

P

We ran a pilot with **15 journals** across multiple publishers.

The pilot tested the effects of offering reviewers formal recognition on Publons.

Publons speeds up review. Average review time went from **18 days** pre-pilot to **15 days** in pilot.

Publons increases acceptance.

Reviewer acceptance rates improved for all of the pilot journals by up to **65%**. The median: **18%**.
