Week of November 23 – East of Main St.

Week of November 30 – West of Main St

Week of December 7 – East of Main St

Week of December 14 – West of Main St

- Rake your leaves loose to the curb line.
- Leaves shall be free of any sticks, rocks, stones, trash, brush and other debris that could damage or clog the Leaf Vacuuming machines.
- Please keep leaves at least 10 feet away from storm drains.
- Inclement weather does affect leaf collection.
- The Borough is not responsible for damage to Basketball backboards or other obstructions in the street.

NOTE: Leaves may be placed in biodegradable paper bags or yard debris containers at any time. Biodegradable paper bags can be purchased at Borough Hall or any lawn and garden store.

For more Highway Department information go to www.glassboroonline.com/highway

SNOW REMOVAL

To assist the Highway Department with snow removal from all municipal dedicated streets, roadways, and cul-de-sacs, all parked cars and obstructions shall be removed from the street for up to 12 hours during and after a storm.

- When shoveling OUT of your driveway, snow should be placed to the right side (if looking at the street from house), of your driveway. This may help alleviate snow being plowed back into the driveway.
- If using a snow blower, please, **DO NOT** blow snow back out into the street as hazardous conditions can arise.
- During a snow storm all primary streets will be plowed first, followed by the secondary streets. Cul-de-sacs will be done last due the clearing time involved and use of other equipment.
- The plows try to get as close to the curb as possible.
- Please clear the area around your mailbox as the Mail carriers will not deliver the mail if they can not reach your mailbox. (If you are in an area that is difficult to clear around the mailbox, such as cul-de-sacs, you could install a temporary box on a post as close to the cleared area as possible.)
- The Borough is not responsible for damage to Basketball backboards or other obstructions in the street.
- Residents and businesses that are located on a corner are responsible for clearing accessibility ramp curb cut areas
