

Sport+Spinal Physical Therapy is a private 100% opted out orthopedic focused clinic located in the heart of Yaletown in downtown Vancouver.

A full time physiotherapist position has come open for the right candidate to join our team.

We are home to a team of knowledgeable and experienced therapists. The clinic owner has near 20 years working in the field and has developed his methods around a strong meditation practice and holistic approach to health.

Majority of busy case load is made up of active busy professionals with extended health coverage.

Great atmosphere, Great practice, Great clientele.

60% retained earnings.

Our treatments include but are not limited to:

- Dry Needling /Intramuscular Stimulation
- Manual Therapy
- Electrotherapy
- Exercise Prescription
- Mechanical Traction
- Pilates
- Vestibular Rehabilitation

What we are looking for:

- 5+ years' experience (or right fit)
- Dry Needling / IMS certified
- FCAMT Certified
- Professional caseload- no WCB/ICBC

We are looking for an experienced therapist who is highly motivated and interested in learning and growing with our clinic.

Preference will be given to a therapist utilizing a holistic view, along with manual therapy and dry needling/IMS, however mentoring and training is an option to an individual that is the right-fit for the clinic.
