

Tips for University Bound Students

Steps & Guidelines to follow after being accepted to a CSU or UC

| California State University (CSU's) | University of California (UC's) |
|---|---|
| <p>1. In order to be fully admitted to a CSU, you must take (if necessary) the <u>ELM/EPT placement test</u> and submit your final high school transcripts. <u>Registration and payment for the test must be done at www.ets.org/csu.</u> Testing site is <i>SDSU-Imperial Valley Campus</i>. Contact <i>Guadalupe Murgia</i> for more information (760) 768-5667.</p> | <p>1. Both the subject requirement and the examination requirement must be completed no later than the date of your high school graduation. If any of information on your application is found to be incomplete or inaccurate or your grades drop during senior year, the offer of admissions may be revoked.</p> |
| <p>2. Sign the <u>Intent to Enroll form</u>, Check your selected university's <u>Student Portal</u> so you can access the tab "Enroll." Deadline: May 1st, 2012</p> | <p>2. Sign the <u>Statement of Intent to Register, (SIR)</u>. Website or form will be provided by University that you were accepted to. A \$100.00 fee must accompany your acceptance. Deadline: May 1st, 2012</p> |
| <p>3. Enrollment Deposit: Once you have chosen a university, you are required to attend a Freshman Orientation. You MUST pay a deposit fee before the orientation. Each school varies on this fee. Check the student portal for more information.</p> | <p>3. See student portal for freshman orientation dates and deadlines. A certain fee may be asked, check with university. Fees can differ depending on the university.</p> |
| <p>4. Financial Aid, Scholarships, and Loans: Once you have chosen a university and accessed your student portal (create username & password) your student portal will show the amount of financial aid you will be given per semester. Depending on your award and tuition fees, you may have money left over. You will need a checking or savings account so any funds left over can be deposited into that account. Any scholarship that has been awarded to you will also show up on your student portal, as well as loans that have been activated by you (the student) or the parent.</p> | <p>4. Financial Aid, Scholarships, and Loans: Once you have chosen a university and accessed your student portal (create username & password) your student portal will show the amount of financial aid you will be given per semester. Any scholarship that has been awarded to you will also show up on your student portal, as well as loans that have been activated by you (the student) or the parent.</p> |
| <p>5. Housing/Meal Plan: If you have chosen to live on campus (dorms) you MUST apply first for a dorm. <u>Check university's portal for housing information and deadlines.</u> All universities have a meal plan. A meal plan allows you to eat at certain places on and off campus. You can choose the meal plan that best fits you. You don't have to enroll in a meal plan, but often it saves you money.</p> | <p>5.
