ARTICLE X, SECTION C: FACULTY ADVISORY COMMITTEE
(p. 52)

Establishment. A Faculty Advisory Committee shall be established in each school through the mutual cooperation of the faculty and the principal.

Purpose. The basic purpose of the Faculty Advisory Committee is to establish and maintain positive relationships and communications among the faculty and staff. The committee shall also serve as the vehicle by which proposed changes in existing policies and practices, including curriculum changes for each school, may be considered. These changes may be subject to discussion at any meeting between the FAC and the principal.

Composition. In schools having ten (10) or fewer teachers, the committee shall consist of the faculty; schools with eleven (11) to fifty (50) faculty members shall have a committee of not less than six (6) members; if more than fifty (50) faculty members are in a school, the committee shall consist of not less than seven (7) members.

All faculty members within the school are eligible to vote for and hold membership on the committee.

The elementary school committee shall have at least one (1) member from each of the primary, intermediate, upper and specialized teaching areas. The ballot shall be constructed to achieve the above representation.

There shall be no more than two (2) members from any one (1) secondary school department as members of the committee.

Election and Term. A three (3) member nominating committee shall convene for the purpose of nominating prospective members for the FAC. The Nominating Committee shall consist of a representative appointed by the principal, a representative appointed by the Association Representative, and a representative appointed by previous year’s FAC chair. The Nominating Committee shall propose a slate of nominees containing the number of positions available, plus three (3). (2009)

The Nominating Committee shall report at a meeting called jointly by the principal and the Association Representative. At that meeting, additional nominations shall be allowed from the floor. Members of the Nominating Committee shall be eligible for election to the FAC.

Voting shall be by secret ballot within the next three (3) days. Ballots shall be returned to and tabulated by the Nominating Committee.
The committee shall have been elected by September 15 and will organize by October 1 of the school year. At the first meeting, a chairperson, vice-chairperson, and a secretary shall be elected.

**Vacancies.** Any vacancy that occurs during the school year shall be filled by a special election in accordance with the election requirements defined here in.

**Meetings.** The committee shall meet when it is deemed necessary by the chairperson or by a majority of the committee members or by a request of 20% of the faculty. The chairperson of the committee shall set the agendas based on suggestions from the faculty, principal and other committee members. Accurate minutes of the meetings including recommendations shall be kept by the secretary and copies issued to the faculty within three (3) days after the meeting.

**Involvement of Other Personnel.** Officers or staff of the Association and administrative or supervisory personnel may be invited to attend meetings at the principal's or committee's request. Each party shall inform the other in advance when outside personnel have been invited.
