Do you live in northwest Davidson County? If so, Metro Nashville Public Schools wants to hear from you! We are hosting community meetings this spring and will use information from these meetings as we develop plans for programming, resources and how we use school buildings in the Northeast and Northwest Quadrants. These plans could affect schools in the Hunters Lane, Pearl-Cohn, Whites Creek and Maplewood clusters.

Please join the MNPS Next team at one of these meetings and share your opinions.
