How to Confirm or Update your Contact Information in the Family Portal.

This document has instructions for updating information:
• online via the web portal
• in the Campus Parent App

Note: While schools are closed because of the COVID-19, contact the Family Information Center if you need an Activation Key: familyinfo@mnps.org
To Update Information Online:

1. Visit mnps.org/familyportal
2. Click “Link to Portals” on mnps.org/familyportal

SIGNING UP IS QUICK AND EASY. ACTIVATE YOUR ACCOUNT BY FOLLOWING THE STEP-BY-STEP INSTRUCTIONS:

1. Visit the Campus Parent Portal login page.
2. Click on the link marked “New User?”
3. Parents will receive this activation key from their student’s school. Parents will need to verify their identity to get this activation key from the school.
4. Follow the steps listed on the site to create a user ID and password.
   a. Use a personal email address as your log in. This will secure a unique login name.
   b. To be as secure as possible, we recommend your password be at least 8 characters and contain a combination of letters, numbers and special characters.

NOTE: After your initial login, you will be required to enter a recovery email address, which will allow you to reset your password on your own if you ever forget it.

Instructions for Campus Parent App

1. Visit mnps.org/familyportal for a link to download the app

We are excited to inform you Infinite Campus has a new look and two new and improved mobile apps:

- Campus Student
- Campus Parent

The new Campus Parent app allows for easier access for all of your children under one username, as well as the ability to manage family and emergency contact information such as phone numbers, emergency contacts, contact order and relationships. The Campus Student app does not have the ability to manage family/contact information.

NEW CAMPUS PARENT FEATURES

- Includes enhanced features to make it more useful, including a responsive design optimized for use on mobile devices and tablets.
- Grants additional access and modification capabilities that do not exist in the Campus Student account.
- Grants Parents access to a Self Service section to update household and emergency contact information, including many more features to come.
- Offers features that will not exist in Campus Student.

Parents, if you currently are using your student's login information, we strongly urge you to create your own Campus Parent account so that you will have access to all the new enhancements provided.
