Education Rhode Island School of Design (RISD), Providence RI

Bachelor of Fine Arts, Illustration - 2017
GPA 3.5

Experience Teaching Artist at ¡CityArts!

Providence, RI (2017-Present)

Created a thorough lesson plan for youth ages 8 to 11 based around art education and self expression. Is responsible for instructing around twenty students and guiding each one through the creative process with a finished product in mind. This involves doing many material demonstrations and working with each child one on one each session.

Freelance for the GAIA Foundation

Providence, RI (2017-Present)

Currently developing an illustrated book in collaboration with the directors and doctors of GAIA for HIV positive youth in Mali, Africa. The main objective for the project is to promote physical and mental health in teens.

Allison Cole Illustration

Providence, RI (2015-Present)

Assists local illustrator with managing wholesale, online orders, inventory, and packing merchandise. Collects data from researching trends and product design to be used in future projects.

“The College Hill Independent” Weekly Publication

Freelance Illustrator -Providence, RI (2016)

Collaborated with a board of student journalists from Brown University to provide spot illustrations that would accompany the articles online and in the printed copies. Each weekly issue was distributed to local venues.

Advanced Projects

Providence, RI (2015)

Spent an entire semester working on a self driven project to create a 36 page graphic novel. This includes laying out each page, creating finished artwork, and binding the final books. The printed graphic novel was then sold at local events.
