SUMMER AT BREAKWATER

DISCOVER | EXPLORE | RAMBLE | ADVENTURE
Breakwater’s mission is to engage our students in an optimal learning experience that inspires them to live well on the planet, embrace their whole being, and realize their full potential. Breakwater Enrichment accomplishes this by empowering youth to explore and develop their interests, talents and passions in a safe and nurturing environment.
DISCOVERERS - AGES 3-5 | PRESCHOOL AGE

Discoverers is a play-based program filled with explorations in the arts, nature, water-play, and summertime activities. Like our school-year programs, our summer sessions are inspired by Reggio Emilia and other emergent curriculum approaches to education. Sessions are taught by caring faculty who encourage each child's creative spirit and expression in a safe, nurturing environment. The Discoverers 2019 summer program consists of four 2-week theme-based sessions, available in full day or half-day enrollment.

EXPLORERS - AGES 5-7 | RISING 1ST AND 2ND GRADE

Explorers will sample a variety of activities during each two-week fun themed session. Sports, drama, music, movement, visual art, and special group projects will be offered on a daily basis. The group will travel with one teacher and counselor throughout the day and move between structured instructional time and open free play. We will include lots of time to be outside and will explore nature at our nearby ecosystems such as the Fore River Sanctuary. Explorers will participate as audience and performers in our daily Noontime Show. Lunch, Noontime Show, and choice time are cross-camp activities that are open to all ages.

RAMBLERS - AGES 8-9 | RISING 3RD AND 4TH GRADE

Ramblers will begin the day and end the day as a whole group, while traveling in small groups to their chosen specialty camps. Some Rambler activities are designed just for 8-9 year olds while others, such as our camp musical, are offered to the Ramblers and Adventurers and provide a positive mixed-age experience. Campers can choose from options including theater, nature adventures, visual arts, survival skills, sports, rock band, trapeze, and many more. Combination camps, where campers choose one specialty in the morning and one in the afternoon, provide campers the ability to create their ideal camp experience.

ADVENTURERS - AGES 10-14 | RISING 5TH THROUGH 9TH GRADE

Each session, Adventurers choose specialty camps from an exciting array of offerings taught by experts in their fields. Campers can choose from options including theater, nature adventures, visual arts, survival skills, sports, rock band, trapeze, and many more. Combination camps, where campers choose one specialty in the morning and one in the afternoon, provide campers the ability to create their ideal camp experience.

Our range of dynamic activities allows campers to pursue their passions, hone their skills, or take risks in new subjects all while in a safe and positive environment. Our unique schedule of Create-Your-Own Combo camps provides campers with the ability to select a summer experience that reflects their individual interests, while our Full Day Camps provide immersive learning experiences. Complete with "Noon Time Show" (think low-stakes talent show) and Choice Time, our camp blends traditionally fun day camp activities with dedicated learning time in chosen fields.

Whether your camper is a scientist, artist, musician, chef, actor, outdoor survivalist, or maybe a little bit of everything, we have something to meet their passion. We look forward to having you as part of our summer community.

MESSAGE FROM OUR SUMMER DIRECTORS

While I have thoroughly enjoyed being a teacher at Breakwater for the past three summers, I am absolutely thrilled to be stepping into a new role as Director of Summer Programming! I have watched this community thrive and grow under the leadership of so many talented individuals and cannot express how excited I am to continue to make Summer at Breakwater the place to be.

At Breakwater, there are so many different opportunities available each summer to enrich a child's experience; regardless of whether their interest is in theater, sports, nature, visual arts, science, music, and more! Summer is such a wonderful time to try something new and discover an interest you never knew you had!

I was lucky to grow up spending summers in New England attending various summer camps, and it has become an important part of who I am as an educator and an individual. It feels only natural that my mission has become to help others make the most out of their own summer experiences. There is no better place to make this happen than here at Breakwater.

As always, I look forward to continuing to share my passion for science and all the natural beauty Maine has to offer with all campers. Needless to say, I will be counting down the days until our summer community is together again!

Denny Church
Summer Program Director

Cancellation and Refund Policy:
All summer programs are subject to minimum and maximum enrollment. In the event of a canceled program, parents will be notified and provided a full refund or credit towards a new camp selection. All cancellations made two-weeks prior or more to the start of the camp session will be refunded in full minus the $100 deposit. Cancellations made 7 days prior to camp will be refunded 50% less than $100 deposit. Any cancellations made less than 7 days to the start of camp or after camp has started are non-refundable. Breakwater will not issue refunds in the event of missed camp days due to illness/injury, forgotten registrations, or behavioral concerns. In the event of a serious illness/injury or family emergency, Breakwater will evaluate the circumstances on a case-by-case basis.

Discounts and Scholarship:
Multi-session discounts are available per camper as follows: 2 Session discount - $50, 3 Session discount - $75, 4 Session discount - $100. Any camper participating in 9 -10 weeks of programming (including Vacation Camps) is eligible for free extended day care.

Crewe Scholarships are available for our fine arts, performing arts, and music programs thanks to the generosity of The Bob Crewe Foundation. To learn more about this opportunity and to apply, please visit enrichment.breakwaterlearning.org

The Musical is a four-week commitment and thus exempt from the multiweek discount. Additional session registrations beyond the musical will reflect the appropriate multiweek discount. EXAMPLE: If your camper registers for the Musical and Session 3, then they are eligible for the 3 Session discount of $75, etc.

REGISTRATION INFORMATION

Registration Overview:
Breakwater’s summer registration is available online as of January 2019 via enrichment.breakwaterlearning.org. A $100 non-refundable deposit per session is due at time of registration. Payment plans are available with balance due in full June 1, 2019. Separate required forms are due prior to the start of camp and are made available on our website. Extended Day Care is available for Discoverers (3:00 - 5:30) and Explorers - Adventurers (8:00 - 8:30; 3:30 - 5:30) with prior registration.

Cancellation and Refund Policy:
All summer programs are subject to minimum and maximum enrollment. In the event of a canceled program, parents will be notified and provided a full refund or credit towards a new camp selection. All cancellations made two-weeks prior or more to the start of the camp session will be refunded in full minus the $100 deposit. EXAMPLE: If your camper registers for the Musical and Session 3, then they are eligible for the 3 Session discount of $75, etc.

Camper Abilities:
Breakwater Enrichment Center strives to provide an inclusive learning environment and welcomes students of all abilities. Certain camps require a specific physical or mental ability in order for campers to be successful. Summer staff ratios do not provide one-on-one support or guidance. To learn more about our policy or to inquire about your child, please contact the Summer Camp Director (ages 5-14) or EC Coordinator (ages 3-5).
**DAILY SCHEDULE FOR DISCOVERERS**

8:00AM Drop Off  
8:15AM Morning Gathering  
8:30AM Bathroom Breaks  
8:45AM Outside Play  
11:30AM Clean Up  
11:45AM Head Inside (Bathroom, Wash Hands, Story)  
12:00PM Lunch (Half Day Pick Up)  
12:30PM Quiet Rest Time Inside  
1:30PM Bathroom & Head Outside  
3:00PM Pick Up  

Extended Day Care available with registration, 3:30 - 5:30

---

**DAILY SCHEDULE FOR EXPLORERS**

8:00AM Regular drop off to the Capisic Street Gate  
8:45AM Morning meeting  
9:00AM Special Group Projects, Choice time  
10:30AM Activity Time: Sports, Drama, or Movement  
11:30AM Lunch Outside  
12:00PM Noontime Show: an all camp community sharing time, including poetry, music, improvised skits, impromptu performances, special events and guest artists.  
12:30PM Whole-Camp Choice Time  

(Explorers, Ramblers, and Adventurers)  
A variety of choices are offered everyday. Examples: sports, art, playground time, drama games, a walk to Jewell Falls, science experiments, quiet reading, free draw, board games, or working on our amazing camp newspaper.  

1:30PM Explorers Art Class  
2:30PM Group time, finishing projects, choices and clean up  
3:15PM Afternoon meeting, the daily “wrap” up  
3:30PM Dismissal & Pick Up on playground  

Extended Day Care available with registration, 3:30 - 5:30.

---

Breakwater Discoverers Summer Camp provides a place where preschool children can play, explore, and make discoveries in a safe, inclusive, and stimulating environment. Our two-week summer sessions offer play-based explorations in the arts, nature, earth science, and water-play. We also feature a two-week Nature Play camp on 21 acres of woodlands located in Cumberland, Maine. Whether napping under trees, exploring in our newly designed playgrounds, or nestled inside our Reggio Emilia inspired classrooms the summer at Breakwater is sure to provide your child with a summer full of love, laughter, and fun!

Wendy Getchell  
Early Childhood Coordinator  
wgetchell@breakwaterschool.org
SESSION 1: BIRDS AND SONGS  
| 8am-3pm | June 24 - July 3  
(no camp July 4 & 5)

Come learn about the natural world and all the wonderful birds that spend their summer on our campus and on the trails nearby our school. Let your imagination of colors and songs spark your imagination. Create large nests with natural loose parts, make beautiful creative art projects, play field games, go on scavenger hunts and explore dramatic play with a flock of friends.

SESSION 2: TINKERING & MAKERS ART  
| 8am-3pm | July 8 - July 19

Tinker, Create and explore the summer away! Young Tinkerers and artists will design, experiment and create master works in their field of choice. Whether it be a paint brush and some paint or the nail and hammer, we will use real tools of the trade to practice working collaboratively, tackle challenges, discuss and record our design concepts, create, make mistakes then and learn from them.

SESSION 3: MINI-URBAN HOMESTEADERS  
| 8am-3pm | July 22 - Aug 2

Making the most of urban backyards, gardens provide so many delicious and nutritious ways of taking care of the earth and our bodies. Children will get their hands dirty wielding shovels, hoes, and wheelbarrows, planting and tending to the Breakwater School Garden. Then they will get a chance to learn some valuable skills to preserve the harvest and try making things like pickles, jam, and bread.

SESSION 4: YOUNG SCIENTISTS & WATER PLAY  
| 8am-3pm | Aug 5 - Aug 16

There is so much to learn, play and explore about the science of water! Children will get introduced to some scientific concepts and practice problem solving skills while joining in fun science games, experiments and water play outdoors in the sun. Great fun for any young scientist who loves to do messy experiments as well as have fun exploring water play and running through the sprinkler on some of the hottest days of summer!

SESSION 4: NATURE PLAY AT THE JESSELANGS  
| 8:30am-2:30pm | Aug 5 - Aug 16

Spark the love of nature and sense of wonderment in every child. Children will spend two weeks exploring the land, making maps, building large and small fairy houses, ponding, singing camp songs around the fire and roasting marshmallows during story time. Just imagine lying on your back under the trees and listening to the songs of nature while you play!

SESSION 1: TIME TRAVELING EXPLORERS
| 8:30am-3:30pm | June 24 - July 3
(no camp July 4 & 5)

Who lived in Maine in the past, and what will our state look like in the future? In this session of camp, we will build a time machine and use it to travel to several important moments in history. Explorers will earn how we can all shape the future by looking at the past! We will go on a paleontological dig for dinosaur bones, talk about time—what is time, and how could time travel work, and design the future of our world! Where would you travel to?

SESSION 2: SPACE EXPLORATION
| 8:30am-3:30pm | July 8 - July 19

Lingering up above the clouds, amongst the stars, and into the unknown; that is where you will find the Explorers during the day of this session of camp. In this space exploration, we will explore and learn about space. Things such as the life cycle of a star, definition of a planet, designing and building our own detailed worlds for fellow Astro-Explorers to visit, or build and launch our own rockets into the sky! These astronauts may need to start brainstorming their design for their own space suit in order to complete their summer camp mission.

SESSION 3: OCEAN EXPLORATION
| 8:30am-3:30pm | July 22 - August 2

Whales, turtles, and fish, oh my! Come and explore the oceans depths without ever having to put your wetsuit on! In the heat of the summer, we learn more about our favorite ocean animals, and the environments they live in. Explorers will use creative art projects to help turn their classroom into a wonderful watery world! There is nothing better than being near ocean in Maine in the summer, so come join us and learn all about our wonderful watery world. Please leave your snorkels at home.

SESSION 4: MAGICAL WONDER
| 8:30am-3:30pm | August 5 - August 16

Discover the magic hidden in the natural world... and beyond! Explorers will transform their camp into a magical wonderland by making magical wands, learning to write and cast spells to better our community, and other wonders that will spark the magic of our curiosities. We will explore the nearby woods and river-lands, searching for magical plants, and maybe even spot a fairy or two. Come ready to ride our enchanted broomsticks to play fun and imaginative games outside!

Extended Day Care available with registration, 3:30 - 5:30.
Guys and Dolls JR. is an adaptation of the show considered by many to be the perfect musical comedy. Its namesake ran for 1,200 performances when it opened on Broadway in 1950 and won numerous Tony Awards, including Best Musical. Frank Loesser's brassy, immortal score and witty book makes Guys and Dolls JR. a perennial crowd pleaser.

Set in Damon Runyon's New York City, Guys and Dolls JR. follows gambler, Nathan Detroit, as he tries to find the cash to set up the biggest crap game in town while the authorities breathe down his neck; meanwhile, his girlfriend and nightclub performer, Adelaide, laments that they've been engaged for fourteen years without ever getting married. Nathan turns to fellow gambler, Sky Masterson, for the dough, but Sky ends up chasing the straight-laced missionary, Sarah Brown. Guys and Dolls JR. takes us from the heart of Times Square to the cafes of Havana, but everyone eventually ends up right where they belong.

The summer musical theater program at Breakwater runs for two-sessions. In Session 1, students in the production attend rehearsals in the morning and then have the ability to choose a specialty afternoon option. In Session 2, students immerse themselves in the production by attending rehearsals in the morning and afternoon. Our musical theater students participate in whole-camp choice time, noon time show, and lunch with the greater camp community.

This camp culminates in two fully-staged performances on July 18th and 19th.

Want to be behind stage? Run Lights? Design sets? Check out our simultaneous Technical Theater Program for adventurers in Session 2!

Musical Theater at Summer at Breakwater Session 1 & 2: June 24 - July 19
Open to Ramblers and Adventurers

MORNING CAMPS:

TRAVELING SPORTS CAMP
Ramblers & Adventurers
Morning Camp
Session 1

Let’s go out and play! Summer in Maine is all about enjoying the outdoors and being active. In addition to workouts in our air conditioned gym on site at Breakwater, we will hit the road to destinations all around Greater Portland, enjoying parks and recreational facilities from the Eastern Promenade to Fort Williams. Traveling Sports Camp will be split by age (8-9 and 10-14), but will allow for multi-age games and fun during our off-campus trips!

CREATE YOUR OWN WORLD
CARTOONING
Ramblers
Morning Camp
Session 1

Have you ever wanted to draw your own characters, creatures, robots, castles, spaceships, and more in 3D? In this camp we’ll work together each class with warm-up practice drawings that introduce new, simple methods, techniques, and then campers apply their new skills to work on independent drawing projects based on fun prompts or themes. These concise cartooning methods empower budding artists to visualize their ideas by using constructive drawing, shading, overlapping, details, repetition with variation, perspective drawing and more.

ART EXPLORATION
Adventurers
Morning Camp
Session 1

Come and explore the many faces of art! Students will learn from instruction in different methods of creation, such as painting, drawing, and sculpture. Bringing in themes such as folk lore, art history, and other facets, students will culminate their work by showcasing in our Breakwater Gallery at the end of the session.

BREAKWATER COOKING SHOW!
Adventurers
Morning Camp
Session 1

In this camp, we will choose themes, develop recipes, write scripts, and film episodes of the Breakwater Cooking Show! Students will be able to participate in different aspects of cooking, writing, acting, filming, and truly experiencing what it takes to put together a professional looking show. You will even be able to share each episode with family and friends. Grab your aprons and smile for the camera!

3D DESIGN
Ramblers
Morning Camp
Session 1

In a world where manufacturing is at our fingertips let your camper explore this forefront of technology! Learn how to use Computer Assisted design software to design models, puzzles and more! Learn how to operate a 3D printer and be able to practice rapid prototyping with 3D printers. Understand the engineering & design process and discover how products are made! Campers will have three projects to Complete! Making a model of something they enjoy as artwork. Making a tool or device to solve a problem they have, and making a device or tool to help someone else!

NATURE SKILLS & WILDLIFE
Adventurers
Morning Camp
Session 1

Put on your hiking shoes, grab your water bottle, and get ready to learn a variety of skills out in nature. We will be building a knowledge base of different nature skills, learning different animal tracks, identifying the plants and trees in our own backyards, and so much more. Campers will be given a nature journal to keep track of the variety of wildlife they see and the many exciting things they come across in nature.

Click Here to Register
AFTERNOON CAMPS:

TRAVELING SPORTS CAMP
Ramblers & Adventurers
Afternoon Camp
Session 1

Let’s go out and play! Summer in Maine is all about enjoying the outdoors and being active. In addition to workouts in our air conditioned gym on site at Breakwater, we will hit the road to destinations all around Greater Portland, enjoying parks and recreational facilities from the Eastern Promenade to Fort Williams. Traveling Sports Camp will be split by age (8-9 and 10-14), but will allow for multi-age games and fun during our off-campus trips!

COMICS & CARTOONING
Adventurers
Afternoon Camp
Session 1

Comics aren’t just superheroes or funny books (although they can be that, too!) What other art form allows you to be in charge of everything (writing, drawing, character design, set design, graphic design, costume design, penciling, inking lettering, printing)??! In this class we’ll learn the basic elements of what comic books, comic strips, and graphic novels are made of, and play with storytelling techniques. Be prepared to write pictures and draw words!

NATURE SKILLS & WILDLIFE
Ramblers
Afternoon Camp
Session 1

Put on your hiking shoes, grab your water bottle, and get ready to learn a variety of skills out in nature. We will be building a knowledge base of different nature skills, learning different animal tracks, identifying the plants and trees in our own backyards, and so much more. Campers will be given a nature journal to keep track of the variety of wildlife they see and the many exciting things they come across in nature.

POPTUNES
Ramblers & Adventurers
Afternoon Camp
Session 1

A Summer at Breakwater favorite - Pop Tunes is back! Join Denise for an camp filled with singing, dancing, laughing, learning about musical theater. Campers will learn songs and choreography to a collection of favorite musicals. This camp culminates in a performance at the end of session to delight campers and family members.

TECHNICAL THEATER
Adventurers
Afternoon Camp
Session 1

Learn the art of technical design by becoming a stage hand! Campers will be introduced to lighting, sound, set design, and more while preparing for the camp’s musical production of Guys and Dolls!

TINKERING & ENGINEERING
Adventurers
Afternoon Camp
Session 1

Join the Tinkering Camp to invent, design, break, investigate, create, and build your own tinkering projects in Breakwater’s Curiosity Lab! Work with the design thinking process, collaborate on ideas and work with some exciting tools technologies and apply that work to big ideas.

Click Here to Register

TRAVELING SPORTS CAMP
Adventurers & Ramblers
Morning Camp
Session 2

Let’s go out and play! Summer in Maine is all about enjoying the outdoors and being active. In addition to workouts in our air conditioned gym on site at Breakwater, we will hit the road to destinations all around Greater Portland, enjoying parks and recreational facilities from the Eastern Promenade to Fort Williams. Traveling Sports Camp will be split by age (8-9 and 10-14), but will allow for multi-age games and fun during our off-campus trips!

BREAKWATER COOKING SHOW
Adventurers
Morning Camp
Session 2

In this camp, we will choose themes, develop recipes, write scripts, and film episodes of the Breakwater Cooking Show! Students will be able to participate in different aspects of cooking, writing, acting, filming, and truly experiencing what it takes to put together a professional looking show. You will even be able to share each episode with family and friends. Grab your aprons and smile for the camera!

ILLUSTRATION & ANIMATION
Adventurers
Morning Camp
Session 2

From 2D to 3D formats, these artists will work on storytelling through a variety of mediums. Students will learn illustration instruction, culminating in a take-home animation by the end of the session! Artists will work independently and in small groups. Students will bring ideas, stories, and collaborative drawing games to life in space and time.

TINKERING AND MAKERS
Ramblers
Morning Camp
Session 2

Join the Tinkering Camp to invent, design, break, investigate, create, and build your own tinkering projects in Breakwater’s Curiosity Lab! Work with the design thinking process, collaborate on ideas and work with some exciting tools technologies and apply that work to big ideas.

CLAY: HANDBUILDING
Ramblers
Morning Camp
Session 2

Explore building functional and nonfunctional art pieces with clay using the three basic hand building techniques: pinch, coil and slab. In addition, learn to apply traditional and non-traditional surface treatments to create unique pieces allowing each young artist to express themselves.

AFTERNOON CAMPS:

TRAVELING SPORTS CAMP
Ramblers & Adventurers
Afternoon Camp
Session 2

Let’s go out and play! Summer in Maine is all about enjoying the outdoors and being active. In addition to workouts in our air conditioned gym on site at Breakwater, we will hit the road to destinations all around Greater Portland, enjoying parks and recreational facilities from the Eastern Promenade to Fort Williams. Traveling Sports Camp will be split by age (8-9 and 10-14), but will allow for multi-age games and fun during our off-campus trips!

CLAY: HANDBUILDING & WHEELTHROWING
Adventurers
Afternoon Camp
Session 2

Explore building functional and nonfunctional art pieces with clay using the three basic hand building techniques: pinch, coil and slab. In addition, learn to apply traditional and non-traditional surface treatments to create unique pieces allowing each young artist to express themselves.

DANCE CAMP
Ramblers
Afternoon Camp
Session 2

Grab your dancing shoes and get ready to groove to the music! In this camp students will learn different techniques and styles from contemporary to traditional dance. Dancers will develop coordination, musicality, and many skills that they will utilize for summers to come. From solo work to partner and group work, our rambling dancers will flourish in our inviting environment for all skill levels! This camp culminates in a dance performance at the end of the session.

ROCKETRY & AERONAUTICS
Ramblers & Adventurers
Afternoon Camp
Session 2

Come join Aeronautic Exploration where we will explore the wonders of flight learning about helicopters, fixed wings, propellers, airfoils and much more! Can you make a shoebox fly?

COOKING WITH CULTURE
Ramblers & Adventurers
Afternoon Camp
Session 2

Learn to whip up delicious cuisine from around the world! This class will incorporate worldly recipes and camper family recipes. We will blend daily cooking and shopping activities with mini-lessons about where the food comes from and the important role that food plays in cultures around the world.

ILLUSTRATION & ANIMATION
Ramblers
Afternoon Camp
Session 2

From 2D to 3D formats, these artists will work on storytelling through a variety of mediums. Students will learn illustration instruction, culminating in a take-home animation by the end of the session! Artists will work independently and in small groups. Students will bring ideas, stories, and collaborative drawing games to life in space and time.

FULL DAY CAMPS:

TECHNICAL THEATER CAMP
Adventurers
Full Day Camp
Session 2

Learn the art of technical design by becoming a stage hand! Campers will be introduced to lighting, sound, set design, and more while preparing for the camps musical production of Guys and Dolls! Each camper will have a specific role during the productions, including house managing, prop master, lighting, and stage hands. This camp culminates in two fully-staged performances.

JR. MAINE WOODSMAN
Ramblers & Adventurers
Full Day Camp
Session 2

This camp sets up each camper on their way to being a Junior Maine Guide (JMG). JMG’s motto is “trips to the woods last a lifetime”. In this camp, campers will learn the skills and techniques needed to pass 15 tests and earn their state recognized Jr. Maine Woodsman patch. There are three levels in the program: Jr. Maine Woodsman (9-12), Maine Woodsman (12-14) and Junior Maine Guide (14-18). To learn more about the JMG visit: https://juniormaineguides.org/

Session 2

This camp sets up each camper on their way to being a Junior Maine Guide (JMG). JMG’s motto is “trips to the woods last a lifetime”. In this camp, campers will learn the skills and techniques needed to pass 15 tests and earn their state recognized Maine Woodsman patch. There are three levels in the program: Jr. Maine Woodsman (9-12), Maine Woodsman (12-14) and Junior Maine Guide (14-18).
MORNING CAMPS:

LEGO ROBOTICS CAMP
Ramblers Morning Camp Session 3
Join fellow engineers to build, program, and share robots of your very own design. Students will have the chance to make and develop their own robot to complete a task or solve a problem! Partnering up with a friend on a creation, and learning what it takes to go from paper designs to a practical robot! This camp utilizes the LEGO Mindstorms EV3 as well as NXT blocks.

AERIAL ARTS: TUMBLING & PARKOUR
Ramblers & Adventurers Morning Camp Session 3
In this camp, Parkour and Aerials combine to create one blast of a time! Jump, run and fly your way through obstacle courses, climbing games, handstand challenges, and vaulting exercises with Michael and Janette. Each day will bring a new parkour or aerials challenge. By the end of the session, students will put all their new skills together to take part in a warrior course, cheered on by their camp friends and teachers!

ART EXPLORATION
Ramblers Morning Camp Session 3
Come and explore the many faces of art! Students will learn from instruction in different methods of creation, such as painting, drawing, and sculpture. Bringing in themes such as folk lore, art history, and other facets, students will culminate their work by showcasing in our Breakwater Gallery at the end of the session.

CLAY: HANDBUILDING & WHEELTHROWING
Adventurers Morning Camp Session 3
Explore building functional and nonfunctional art pieces with clay using the three basic hand building techniques: pinch, coil and slab. In addition, learn to apply traditional and non-traditional surface treatments to create unique pieces allowing each young artist to express themselves. Students in this course will experiment and learn the basics of the pottery wheel to make circular creations such as cups, bowls, and more!

GARDEN TO TABLE
Ramblers & Adventurers Morning Camp Session 3
Garden to Table- cooking with locally grown foods! Campers will have the chance to venture off-campus and choose local ingredients from the farmer’s market and cook it up in Breakwater beautiful teaching kitchen. Join us to discover how to cook with foods grown in our own backyards, acquire new tastes and new skills in the garden and the kitchen, and have fun!

ONE ACT PLAY: THE CURSE OF THE JAGUAR
Ramblers & Adventurers Morning Camp Session 3
The Summer at Breakwater tradition continues with an original world premier play by our One Act campers! This Summer, a team of amateur archaeologists discovers a rare artifact that has been washed up by a Summer storm. What first appears to be a statue of a Mayan Jaguar King turns out to be a lost map to find the king’s treasure! Suddenly, everyone wants to get their hands on the artifact, AND the treasure! Our team of archaeologists needs keep the map safe and find the treasure first so they can give it to the history museum. Can they do it before the bad guys- AND The Curse- catch up with them? No experience needed. This camp will culminate in a public performance at the end of the session.
AERIAL SILKS & TRAPEZE
Ramblers & Adventurers
Afternoon Camp
Session 3

Aerial Dance Trapeze! Swing, circle, spin, climb and defy gravity on the dance trapeze—a low spinning trapeze hung at shoulder height! Dancers will learn basic movement styles and good ol’ trapeze tricks to make a routine that we will perform for the whole camp on the last day! Fast moving, creative fun for all!

TECHNICAL THEATER:
The Curse of the Jaguar
Ramblers & Adventurers
Afternoon Camp
Session 3

This half day camp will be designing and creating all the tech needs for the one act play. There is an awful lot that goes into putting on a play ‘behind the scenes’. We will create the set, costumes, lighting, sound, posters, props... You name it! We’ll do it! Students will also work backstage during performances of our original one act play, The Curse of the Jaguar, at the end of the session.

EARTH SCIENCE
Ramblers
Afternoon Camp
Session 3

Calling all scientists! Join us to collect samples, make predictions, and critically think about the world around us through wonder and discovery. Physically dig deep into Maine geology, get our feet wet in local water sources, and observe microorganisms under microscopes. Let’s get outside and become scientifically aware of our urban backyard!

CLAY: HANDBUILDING
Ramblers
Afternoon Camp
Session 3

Explore building functional and nonfunctional art pieces with clay using the three basic hand building techniques: pinch, coil and slab. In addition, learn to apply traditional and non-traditional surface treatments to create unique pieces allowing each young artist to express themselves.

3D DESIGN
Adventurers
Afternoon Camp
Session 3

In a world where manufacturing is at our fingertips let your camper explore this forefront of technology! Learn how to use Computer Assisted design software to design models, puzzles and more! Learn how to operate a 3D printer and be able to practice rapid prototyping with 3D printers. Understand the engineering & design process and discover how products are made! Campers will have three projects to Complete! Making a model of something they enjoy as artwork. Making a tool or device to solve a problem they have, and making a device or tool to help someone else!

URBAN ART
Adventurers
Afternoon Camp
Session 3

Immerse yourself into the world of spray paint, colors that pop off the wall, and catchy phrases that grab attention. We will be collaborating in creating multiple, permanent mural installations on the Breakwater campus as we learn about the many facets of urban art. We will look at graffiti in popular culture and stencil art. Where do you see urban art in your neighborhood?

Do you dream of being a marine biologist and saving the ocean? Then come join our team of ocean explorers and gain the knowledge you need to become a Marine Biologist. Each day, we will head out and explore some of Maine's best ocean spots, tide pools and beaches, all while learning all about the oceans coolest animals. We will also be doing some optional dissections, including squid and shark!

“Love, This is where it begins, everything else grows from there.”

-Founder El Costa on the essence of Breakwater
GREEN SCREEN FILM CAMP WITH UNWRITTEN ROADS
Ramblers
Morning Camp
Session 4

In one week students will work together to write, direct and film an original movie. Students will produce their own film from page to screen and take on leadership roles as writers, set and costume designers, actors, directors, and editors. The course will culminate with a film screening in true Hollywood style!

BACKYARD SCIENCE
Ramblers
Morning Camp
Session 4

Let your mad scientist explore the world through a new lens! This camp will focus on not only learning what chemistry is but seeing how chemistry figures into everyday items. We will do crazy dyes to making biofriendly paper, playing and discovering different kinds of plastics and even seeing how chemistry influences the food we eat! Campers will walk away with a greater understanding for the world around them on a new level!

OUTDOOR ART EXPLORATION
Ramblers
Morning Camp
Session 4

Nature has always served as a primary source of inspiration for creative minded people and this summer at Breakwater will be no different. We will head outside in order to seek daily inspiration from this beautiful place that we call home and let it guide our artistic journey. After taking some time to sense our surroundings, we will let water inspire our use of watercolors and let tree textures influence our crayons, charcoal and ink!

IMPROV: THE MYSTERY OF COMEDY
Ramblers & Adventurers
Afternoon Camp
Session 4

What’s the mystery of comedy? The Breakwater improv troupe will find out! In this improv comedy camp, students will explore a lot of different improv comedy styles with a focus on the classic ‘guessing’ game format. Students will create characters and scenes based on ‘mysterious’ prompts. Will the Breakwater improv troupe solve these mysteries? Who knows? But at least they’ll laugh themselves silly trying! No experience needed. This camp will culminate in a showcase at the end of the session.

GREEN SCREEN FILM CAMP
WITH UNWRITTEN ROADS
Adventurers
Afternoon Camp
Session 4

In one week students will work together to write, direct and film an original movie. Students will produce their own film from page to screen and take on leadership roles as writers, set and costume designers, actors, directors, and editors. The course will culminate with a film screening in true Hollywood style!

LEGO ROBOTICS: BATTLE BOTS
Adventurers
Afternoon Camp
Session 4

Join fellow engineers to build, program, and share robots of your very own design. Students will have the chance to create and develop their own robot in order to compete in our Breakwater Battlebot Arena. Learn what it takes to go from a paper design to seeing your dream robot materialize. This camp utilizes the LEGO Mindstorms EV3 as well as NXT blocks.

CREATURE SCULPTURES
Ramblers
Afternoon Camp
Session 4

Create mythical masks and authentic temple sculptures from ordinary recycled materials! We’ll use observation, reference and imagination to depict mythological monsters, invent new creatures, and reimagine real animals in images, masks (week 1), and intricate relief sculptures (week 2). Lots of hands-on building will happen working from general to specific with recycled materials and found objects in equal parts creativity and ingenuity.

GARDEN TO TABLE
Ramblers & Adventurers
Afternoon Camp
Session 4

Garden to Table- cooking with locally grown foods! Campers will have the chance to venture off-campus and choose local ingredients from the farmer’s market and cook it up in Breakwater’s beautiful teaching kitchen. Join us to discover how to cook with foods grown in our own backyards, acquire new tastes and new skills in the garden and the kitchen, and have fun!
FULL DAY CAMPS:

WOODS & WATER ADVENTURE SKILLS
Adventurers
Full Day Camp
Session 4

Do more than just survive in the woods - THRIVE in the woods! This class delves beyond basic survival skills into comfort, travel, and longer term living in the woods and traveling by water. During our 2 weeks students will explore and practice traditional camp craft, paddling skills, water safety and water trip planning. During our program students will be introduced to basic survival needs mixed with safety and tool use education. Edged tools and fire making tools will be used during classes after thorough training. As a water traveler, students will work with tools to create parts of the gear they need for their adventures. We will learn to cook over fires with Dutch ovens, water trip planning, map and compass skills, and more. This class will meet and end at the Breakwater campus. The location and time of trips and skills days will be weather-dependent. This course is for both experienced and non-experienced campers to grow together. end at the Breakwater campus.

AERIAL DANCE PERFORMANCE
Ramblers & Adventurers
Full Day Camp
Session 4

The aerialists and dancers will practice contemporary dance, aerial silk, trapeze, and rope skills while learning an ensemble routine that will dazzle all those who see it. Our advanced students will be given the opportunity to let their skills shine in solo movements. Campers will be broken into age specific groups to work on skill and routine. Beginner through advanced dancers, movers, and body artists are welcome to attend this camp and learn a new move or two on the silks! A culminating performance will be held at the end of Session 4 for parents and other campers.

ROCK BAND
Adventurers
Full Day Camp
Session 4

In Rock Band Camp, students will learn the ropes (...or strings) of being a real rock musician: instrumental technique, songwriting, creativity, collaboration, and more! After an instrument "petting zoo" on the first day, campers will choose an instrument to focus on for the session. Campers will split the day between individualized lessons and group rehearsals and jam sessions. The band will learn covers, write original songs, and explore many different styles of music. There will be frequent performance opportunities throughout the two weeks, culminating in a concert celebration at the end of the session.

Dive into summer with Breakwater’s June Vacation Camp! For this all-ages camp, we will blast into summer with daily adventures to local destinations such as Fort Williams for games and picnics, Peaks Island for a walking adventure, and Bradbury Mountain for a simply beautiful hike. When on campus, we will jump into classic camp activities from friendship bracelets to messy science. We will culminate our week with a trip to a local beach for a day of swimming and fun.

**June Vacation Camp**  
Dates | June 17 - 21

**Grades K-8 | 8:30AM-3:30PM | $305**

Wind down the summer with the Breakwater Enrichment Team! Our final camp of the summer season will be a not-your-average vacation camp: Woods & Water Edition. We will split our week with woods and water adventures. Campers can be prepared to spend Monday, Wednesday, and Friday near water as we soak up the last few beach days. On Tuesday and Thursday, campers will spend time at the Jessielands—Breakwater’s 22 acre nature preserve—to play adventure games, make fires, cook campfire food, and share moments of gratitude from our vast summer experiences. While on campus, campers will have endless activity options to choose from including camp favorites: rock climbing, art projects, slip n’ slide, and games!

**August Vacation Camp**  
Dates | August 19 - 23

**Grades K-8 | 8:30AM-3:30PM | $305**
SUMMER 2019 DATES & RATES

**Session 1:** June 24 - July 3 (No Camp July 4&5)

**Session 2:** July 8 - July 19

**Session 3:** July 22 - August 2

**Session 4:** August 5 - August 16

**Discoverers, Ages 3-5**

- Session 1: Full Day $575 / Half Day $395
- Session 2: Full Day $625 / Half Day $395
- Session 3: Full Day $625 / Half Day $395
- Session 4: Full Day $625 / Half Day $395
- Session 4 Nature Play Camp: Full Day $675 / Half Day $450

**Explorers, Ages 5-7**

- Session 1: $575
- Session 2: $625
- Session 3: $625
- Session 4: $625

**Ramblers, Ages 8-9 / Adventurers, Ages 10-14**

**Session 1:** Create-Your-Own Combo Camp* $550
