AUNBT and UNB Administration reach 4 year collective agreement

July 19, 2016

Fredericton, NB – The University of New Brunswick Board of Governors and the Association of University of New Brunswick Teachers have ratified a new four-year collective agreement. Unlike the 2014 negotiations that resulted in a 3 week disruption to the winter term, this agreement will allow students to carry forward with their studies without interruption. This new agreement includes salary increases of 0.9% every six months starting on July 1, 2016.

Student Union President Travis Daley says, “the UNBSU is happy that both parties were able to come to an agreement that works for everyone and that will not interfere with students and their academic careers.”
