

ROOT-PIKE WATERSHED INITIATIVE NETWORK

WATERSHED-BASED GRANT PROGRAM

TASK GROUPS

AGUP: Agriculture & Urban Pollution Prevention--Projects focus on reducing and preventing water, soil and air pollution from urban and rural sources.

COMED: Communications & Education--Projects establish or improve communication and education about watershed issues to the general public, youth and stewardship programs.

LANDUSE: Land Use & Protection--Projects focus on improving land development decisions that restore or protect natural areas.

RAH: Recreation & Aquatic Habitat--Projects improve public access for recreation or monitor and improve creeks, rivers and lakes and other public waterways.

FUNDED PROJECTS

	Summary	Project	Focus Area	City Location	Award	Year	Outcome	Organization
1	Education	Water Quality Education Program & Workshop	Ag & Urban Pollution Prevention	Milwaukee	\$1,000.00	2001	Project completed	Citizens for a Better Environment
2	Study	Study of Klema Ditch to Reduce Erosion	Water Resources	Village of Caledonia	\$2,875.00	2001	Project completed	Lake Michigan Storm Sewer District
3	Restoration	Stormwater Detention Pond Improvement Project	Ag & Urban Pollution Prevention	City of Franklin	\$7,461.00	2001	Project completed	Lake Pointe Home Owners Association
4	Study	Plant Inventory of Mary Ellen Johnson Preserve	Land Use & Protection	City of Racine	\$1,500.00	2001	Project completed	Kenosha-Racine Land Trust
5	Restoration	Equipment to Manage fire breaks in Chiwaukee Prairie	Land Use & Protection	Chiwaukee Prairie, Pleasant Prairie	\$2,349.00	2001	Project completed	Chiwaukee Prairie Preservation Fund

	Summary	Project	Focus Area	City Location	Award	Year	Outcome	Organization
6	Restoration	Equipment for Invasive Plant Removal in Colonial Park	Land Use & Protection	City of Racine	\$500.00	2001	Project completed	St. Catherine's High School Environmental Club
7	Education	Elementary Students Water Testing of Root River	Communication & Education	City of New Berlin	\$2,026.00	2001	Project completed	Prospect Hill Elementary School
8	Class	Educational Program, " Safe Water is My Responsibility" (water cycle, water pollution, beach closings)	Communication & Education	River Bend, City of Racine	\$1,025.00	2001	Project completed	Keep Our Beaches Open (KOBO)
9	Education	Educational Brochure of Pike River Restoration	Communication & Education	Village of Mt. Pleasant	\$4,650.00	2001	Project completed	Village of Mt. Pleasant
10	Education	Conference, "Watershed Sensitive Development"	Land Use & Protection	Marriott Hotel, watershed-wide	\$1,000.00	2001	Project completed	UW-Extension/Sustainable Racine
11	Restoration	Stabilization of Root River Streambank in Lincoln Park to Reduce Soil Erosion	Ag & Urban Pollution Prevention	City of Racine	\$2,000.00	2002	Project completed	Wisconsin Department of Natural Resources
12	Restoration	Stabilization of Hoods Creek Streambank to Prevent Soil Erosion	Ag & Urban Pollution Prevention	Village of Caledonia	\$2,000.00	2002	Project completed	Racine County Land Conservation
13	Restoration	Purchase of Equipment and Monitoring of the Pike River	Water Resources	Town of Somers	\$8,380.00	2002	Project completed	UW-Parkside, Department of Geosciences
14	Education	Meetings in SEWRPC's Seven-County Region to Facilitate Preservation of Remaining Natural Lands Identified in SEWRPC's 1997 report.	Land Use & Protection	Wingspread Conference Center, Watershed-wide	\$10,000.00	2002	Project completed	Gathering Waters Conservancy
15	Education	Manual for Native Landscaping of Retention-Detention Basins	Communication & Education	Watershed-wide	\$5,675.00	2002	Project completed	UW-Extension

	Summary	Project	Focus Area	City Location	Award	Year	Outcome	Organization
16	Education	Interactive Educational Activity for Children & Parents, Trout Pond Prairie	Communication & Education	Village of Caledonia	\$1,150.00	2002	Project completed	Caledonia Conservancy and Root River Chapter of the Wild Ones
17	Education, Recreation	Educational Program: Fishing Clinic Program on Watersheds and Water Quality	Communication & Education	City of Oak Creek	\$500.00	2002	Project completed	Friends of Mill Pond and Oak Creek Watercourse
18	Education	Educational Program, " Our Source of Water" for 5th and 6th Graders	Communication & Education	City of Kenosha	\$2,781.00	2002	Project completed	Kenosha Public Museum
19	Education	Education Program on Native Landscaping, Watershed, Erosion, Fertilizer and Brochure	Communication & Education	Village of Caledonia	\$500.00	2002	Project completed	Olympia Brown School
20	Study	Beach Sand Grooming and E.Coli Study	Ag & Urban Pollution Prevention	City of Racine	\$9,236.00	2002	Project completed	City of Racine Health Department
21	Study	Assessment of Root River Utilizing the Rosgen Classification Method	Water Resources	Root River, Watershed-wide	\$2,075.00	2002	Project completed	Wisconsin Department of Natural Resources
22	Restoration	Aerial Photos of the 5-Mile Pike River Project	Communication & Education	Village of Mt. Pleasant	\$3,000.00	2002	Project completed	Village of Mt. Pleasant
23	Study	Upgrade Water Monitoring System for Pike River Monitoring Program	Recreation and Aquatic Habitat	Town of Somers	\$4,000.00	2003	Project completed	UW-Parkside, Department of Geosciences
24	Workshops	Three Workshops: 1) How to Build a Rain Garden; 2) Native Plants; 3) Healthy Lawn Care	Communication & Education	Village of Caledonia	\$3,625.00	2003	Project completed	Village of Caledonia Parks and Recreation Department
25	Study	Study of English Street outfall to determine if the new design is reducing the amount of bacteria in the adjacent sand and in Lake Michigan	Ag & Urban Pollution Prevention	City of Racine	\$2,500.00	2003	Project completed	City of Racine Health Department

	Summary	Project	Focus Area	City Location	Award	Year	Outcome	Organization
26	Study	Study: Comparative Analysis of Pike River Communities, by Carthage College Professor and Students	Water Resources	City of Kenosha	\$2,700.00	2003	Project completed	Carthage College
27	Restoration	Restoration and Management of the Carity Prairie Grass Preserve	Land Use & Protection	City of Franklin	\$5,200.00	2003	Project completed	Milwaukee Area Land Conservancy
28	Restoration	Native Plant Restoration, Colonial Park	Land Use & Protection	City of Racine	\$4,020.00	2003	Project completed	Southeast Gateway Group of the Sierra Club
29	Education	Management of the Tabor Woods and Signage	Land Use & Protection	Village of Caledonia	\$6,000.00	2003	Project completed	Caledonia Conservancy and Keep Caledonia Rural
30	Restoration	Land Restoration: Planting Seeds and Plants in the New Bob Barbee Park along Riverview Terrace and the Root River	Land Use & Protection	City of Racine	\$5,395.00	2003	Project completed	Racine Earth Services Corps Youth United and City of Racine Public Works and Parks Department
31	Education	Educational Signage for new Root River Pathway	Communication & Education	City of Racine	\$1,700.00	2003	Project completed.	UW-Parkside Root River Environmental Education and Community Center
32	Education	Develop a Curriculum and Informational Videos to Inform High School Students and Teachers About Local Environmental Issues in the Root-Pike Basin	Communication & Education	Kenosha	\$4,000.00	2003	Project completed	Kenosha County UW-Extension
33	Recreation	Construct an Environmentally Friendly and Handicap Accessible Pier on Mallard Lake in Whitnall Park for Wehr Nature Center	Water Resources	City of Franklin	\$10,000.00	2003	Project completed	Wehr Nature Center
34	Recreation	Construct a 420-foot Boardwalk along Pike River in Hawthorn Hollow Nature Sanctuary	Ag & Urban Pollution Prevention	Town of Somers	\$5,243.00	2003	Project completed	Girl Scout Council of Kenosha County and Hawthorn Hollow Nature Sanctuary
35	Study	Water Analysis and Field Study of the Pike River Using the "Prediction of Success for riverine Habitat Restoration"	Recreation and Aquatic Habitat	Village of Mt. Pleasant	\$2,140.00	2004	Project completed	UW-Milwaukee

	Summary	Project	Focus Area	City Location	Award	Year	Outcome	Organization
36	Restoration, Education	Restoring Native Plantings along the Root River in Colonial Park & Teaching Students the Important Role of Native Plant Species	Land Use & Protection	City of Racine	\$850.00	2004	Project completed	Southeast Gateway Group of the Sierra Club and St. Catherine's High School Environmental Club
37	Education	Recruit and Train 24 Volunteer Naturalists to Assist Teachers in K-12 with the School's Expanded and Updated Environmental Education Curriculum	Communication & Education	South Milwaukee	\$3,900.00	2004	Project completed	South Milwaukee School District
38	Education	Hire a Project Coordinator to recruit and train high school student volunteers to educate citizens about issues related to beach closings and water quality and complete storm drain labeling	Recreation and Aquatic Habitat	City of Racine	\$9,827.00	2004	Project completed	Keep Our Beaches Open
39	Restoration	Garlic Mustard Removal in the Renak-Polak Woods	Land Use & Protection	Village of Caledonia	\$9,930.00	2004	Project completed	UW-Parkside and Cedarburg Science
40	Education	3-year environmental Education Program for 6th Grade Students in Racine and Kenosha Middle Schools	Communication & Education	Racine, Kenosha	\$3,766.00	2004	Project completed	Hoy Audubon Society and the Environmental Education Alliance
41	Education	Educational Field Studies of the Root and Pike Rivers and Creation of Multimedia Presentations	Communication & Education	Racine, Kenosha	\$1,370.00	2004	Project completed	St. Mary's School
42	Education	Design and Maintain a Prairie and Rain Garden and Conduct Field Studies on the Root River as part of the Carthage College and Racine Montessori Watershed Project	Communication & Education	City of Racine	\$7,700.00	2004	Project completed	Carthage College and Racine Montessori
43	Restoration	Dam Removal on the Pike River at the Kenosha Country Club in Somers	Recreation and Aquatic Habitat	Town of Somers	\$6,000.00	2004	Project completed	Kenosha Country Club
44	Education	Workshops, "Community Conservation Conversation," presented over 18 months to inform the public of the importance of land preservation.	Communication & Education	Racine, Kenosha	\$1,202.00	2005	Project completed	Kenosha-Racine Land Trust
45	Restoration	Streambank restoration, improved drainage, prairie and shrub buffering & education of public and youth on natural areas	Ag & Urban Pollution Prevention		\$10,000.00	2005		

	Summary	Project	Focus Area	City Location	Award	Year	Outcome	Organization
46	Restoration	Renak-Polak Woods, garlic mustard eradication and education	Land Use & Protection	Village of Caledonia	\$9,176.00	2005	Project completed	UW-Parkside, Department of Geography
47	Education	Publication, "Citizens Environmental Action Guidebook," with information about Root-Pike watershed and first step in launching Environmental Action Teams (EnAct)	Communication & Education	City of Racine	\$10,000.00	2005	Project completed	Sustainable Racine and Madison Environmental Group
48	Restoration	Land Stewardship Plan for the Tabor Woods, Phase II	Land Use & Protection	Village of Caledonia	\$4,700.00	2005	Project completed	Caledonia Conservancy and Keep Caledonia Rural
49	Planning	Comprehensive Plan for Historic Sixth Street	Land Use & Protection	City of Racine	\$10,000.00	2005	Project completed	Historic Sixth Street Association
50	Study	Study of Impact of Stream Side Plants on Water insects, Pike River	Recreation & Aquatic Habitat	Village of Mt. Pleasant	\$6,280.00	2006	Project completed	UW-Milwaukee
51	Study	Study impact of dam removal on the Pike River	Agricultural & Urban Pollution Prevention	Town of Somers	\$1,534.00	2006	Project completed.	Carthage College, Biology Department
52	Restoration	Remove invasive plants in the Franklin Park Savanna	Land Use & Protection	City of Franklin	\$8,200.00	2006	Project completed.	Milwaukee County Parks Department
53	Restoration	Purchase Weed Control Equipment and Plant Material for Milwaukee Weed-Out Program for the purpose of restoring native habitats	Land Use & Protection	Milwaukee County	\$2,500.00	2006	Project completed.	Park People of Milwaukee County Weed-Out Program
54	Restoration	Improve stream habitat along the banks of the Pike River in Mt. Pleasant by installing grasses and shrubs that will provide shade and keep water cool for fish.	Recreation & Aquatic Habitat	Village of Mt. Pleasant	\$2,180.00	2006	Project completed.	Village of Mt. Pleasant

	Summary	Project	Focus Area	City Location	Award	Year	Outcome	Organization
55	Restoration, Education	Two workshops followed by removal of invasives at the Woodhaven property, an oak savanna.	ComEd	Kenosha	\$2,000.00	2006	Project completed.	Girl Scout Council of Kenosha County
56	Restoration	Native plant restoration in Colonial Park	Land Use & Protection	City of Racine	\$945.00	2006	Project completed.	St. Catherine's High School and the Sierra Club
57	Education, Planning	Improve Land Acquisition Skills for members of a Land Trust with training sessions (curriculum and syllabus); revise land selection criteria.	ComEd	Wingspread, watershed-wide	\$4,900.00	2006	Project completed.	Kenosha-Racine Land Trust
58	Planning	Feasibility Study of a River Park Learning Center at the 21st Century Preparatory School	Communication & Education	City of Racine	\$3,750.00	2006	Project completed.	2st Century Preparatory School
59	Restoration	Acquire and plants trees and remove invasives along two drainage channels (Root River Canal Woods)	Agricultural & Urban Pollution Prevention	Town of Raymond,	\$5,000.00	2006	Project completed.	Wehr Nature Center
60	Restoration	Expand the Weed-Out! Racine Project and remove invasive plants in City of Racine parks with the acquisition of additional equipment, supplies and by recruiting more volunteers.	Land Use	City of Racine	\$1,386.00	2006	Project completed.	Sierra Club
61	Education	Eye of Racine Watershed Project, a project of youth to devleop a public access TV program featuring interviews about the Root River	Communication & Education	City of Racine	\$2,274.00	2007	Project completed.	Good Samaritan Center
62	Study	Study of impact of phytoremediation on river bank at the Mary Ellen Helgren Johnson Preserve		City of Racine	\$6,000.00	2007	Project completed.	Kenosha-Racine Land Trust and UW-Parkside
63	Education	Root River Parkway Signage	Communication & Education	Racine County	\$10,000.00	2007	Project completed.	Racine County Public Works Department

	Summary	Project	Focus Area	City Location	Award	Year	Outcome	Organization
64	Restoration	Purchase and plant native trees to restore the Schurn Prairie in Oak Creek to reduce sediment and chemical, improve stormwater storage and increase wildlife habitat.	Land Use	City of Oak Creek	\$5,600.00	2007	Project completed.	Milwaukee Metropolitan Sewerage District, Green Seams Program
65	Restoration	Land Stewardship Plan for 50-plus acres of residential development, wetlands and open space along the Ebbs Creek in the Oak Creek Watershed and communications to inform public about area	Land Use & Protection	City of Cudahy	\$3,810.00	2007	Project completed.	Crosswinds of Cudahy Condominiums
66	Education	Educational signs for the new Root River Environmental Education Community Center located on sixth Street, a partnership of the City of Racine and UW-Parkside	Communication & Education	City of Racine	\$8,400.00	2007	Project completed.	UW-Parkside
67	Education	Conferences on improving the control of invasives in the Great lakes and tributaries	Communication & Education	City of Kenosha	\$2,245.00	2007	Project completed.	Carthage College
68	Recreation	Canoe & Kayak Launch on Root River in Caledonia	Recreation & Aquatic Habitat	Village of Caledonia	\$4,435.00	2007	Project completed.	Village of Caledonia Parks & Recreation
69	Study	Baseline Water Quality Assessment of Root River that will be used to measure impact of future development projects on water quality in the river.	Recreation & Aquatic Habitat	City of Racine	\$7,236.00	2007	Project completed.	City of Racine Health Department
70	Study	Study of Ephemeral Ponds in Chiwaukee Prairie	Land Use	Village of Pleasant Prairie	\$1,947.00	2008	Project completed.	Hoy Audubon Society/Pringle Nature Center
71	Study	Seasonal Baseline Water Quality Study of Root River	Recreation & Aquatic Habitat	City of Racine	\$9,431.00	2008	Project completed.	City of Racine Health Department

	Summary	Project	Focus Area	City Location	Award	Year	Outcome	Organization
72	Education	Root River Water Trail (signage and water trail map of upper Root River)	Communication & Education	Village of Caledonia	\$700.00	2008	Project completed.	Leadership Racine
73	Restoration	Restoration of a bluff along the Root River at the Root River in City of Racine to include invasive plant removal and installation of native plants.	Land Use	City of Racine	\$7,250.00	2008	Project completed.	UW-Parkside, Root River Environmental Recreation Center
74	Restoration	Pike River Improvements	Agriculture & Urban Pollution Prevention	Village of Mt. Pleasant	\$10,000.00	2008	Project completed.	Village of Mt. Pleasant
75	Restoration	Hales Corners Fire Station Natural Lawn Demonstration Project	Agriculture & Urban Pollution Prevention	Village of Hales Corners	\$3,225.00	2008	Project completed	Village of Hales Corners Environmental Committee
76	Restoration	Franklin Park Wetland Restoration	Agriculture & Urban Pollution Prevention	City of Franklin	\$10,000.00	2008	Project completed	Milwaukee County Parks Department
77	Restoration	Ecological Assessment and Stewardship Plan of River Bend	Land Use	Village of Caledonia	\$6,050.00	2008	Project completed.	YWCA River Bend Nature Center
78	Education	Chiwaukee Prairie Plants of Concern Monitoring Program	Com Ed	Village of Pleasant Prairie	\$10,000.00	2008	Project completed	Chiwaukee Prairie Preservation Fund, Inc.
79	Restoration	Chiwaukee Prairie invasive plant control	Com Ed	Village of Pleasant Prairie	\$6,280.00	2008	Project completed.	Natural Resources Foundation of Wisconsin and Wisconsin Department of Natural Resources
80	Study	Blanding's Turtle Study	Recreation & Aquatic Habitat	Racine, Kenosha	\$10,000.00	2008	Project completed spring 2011	UW-Parkside

	Summary	Project	Focus Area	City Location	Award	Year	Outcome	Organization
81	Education	Angling for Environmental Awareness (fishing clinic for kids and interpretive sign for Root River Environmental Education and Community Center)	Communication & Education	City of Racine	\$2,000.00	2008	Project completed.	Leadership Racine
82	Education	Southport Park Pathway Environmental Education Signs	Communication & Education	City of Kenosha	\$4,120.00	2009	Project completed.	UW-Parkside
83	Restoration	Pike River Improvements, Phase 5	AgUp	Village of Mt. Pleasant	\$5,000.00	2009	Completed November 2010	Village of Mt. Pleasant
84	Planning	Develop Policy & Finance Tools to Implement Root River Revitalization Plan	LandUse	City of Racine	\$5,000.00	2009	Completed 2012	River Alliance of Wisconsin
85	Education	"We All Take Environmental Responsibility (WATER)" educational program for 4th graders in Racine Unified School District	Communication & Education	City of Racine	\$5,542.00	2010	Completed 2011	University of Wisconsin-Parkside, Root River Environmental Education and Community Center
86	Education	Storm drain marker project	Communication & Education	City of Franklin	\$5,458.00	2010	Completed 2012	City of Franklin Environmental Committee
87	Restoration	Neumiller Park Wetlands delineation and stewardship plan	Land Use	Town of Somers	\$7,350.00	2012	Completed 2012	Town of Somers Parks Commission
88	Education	Caledonia Conservancy's <i>School To Nature</i> program targeted to 400 6th grade students enrolled at McKinley, Gilmore and Starbuck Middle Schools, Racine Unified School District	Communication & Education	Village of Caledonia	\$1,065.00	2012	Completed 2012	Caledonia Conservancy
89	Restoration	Restoration of a 3-acre prairie remnant on the grounds of Hawthorn Hollow, entailing removal of trees and brush, clearing of firebreaks.	Land Use	Town of Somers	\$9,000.00	2012	Completed 2012	Hawthorn Hollow Nature Sanctuary and Arboretum

	Summary	Project	Focus Area	City Location	Award	Year	Outcome	Organization
90	Education	WATER (We All Take Environmental Responsibility) education program on water quality and stormwater runoff, targeted to 1,450 fourth grade students and 500 seventh grade students in Racine Unified School District	Communication & Education	Root River Education and Community Center, City of Racine Recreation	\$5,720.00	2012	Completed 2012	Hawthorn Hollow Nature Sanctuary and Arboretum
91	Education	Two Carthage College interns to teach and lead 4th and 5th grade students and teachers at Wilson Elementary and Harborside Academy, Kenosha Unified School district, on water quality monitoring in the Pike River.	Communication & Education	Pike River on Carthage College Campus, Kenosha	\$2,316.00	2012	Completed 2013	Carthage College, Kenosha
92	Education	Construction of a boardwalk to increase public access of the Nicholson Wildlife Area.	Communication & Education	Village of Caledonia	\$7,920.00	2012	Deadline extended to 2014	Village of Caledonia Parks Department
93	Restoration	Naturalization of two detention ponds in a subdivision in the City of New Berlin to improve water quality to a stream that drains into the Root River.	Land Use	City of New Berlin	\$6,686.00	2012	Completed December 2012	Park Central Homeowners Association
94	Study	Baseline freshwater mussel inventory of populations at 15-18 sites in the main stem of the Root River in Waukesha, Milwaukee and Racine counties.	RAH	Main Stem of Root River	\$8,117.00	2012	Completed 2013	Waukesha County Land Trust
95	Education	Caledonia Conservancy's <i>School To Nature</i> program targeted to 350 6th grade students enrolled in Racine Unified School District and private schools in Racine, WI.	Communication & Education	Village of Caledonia	\$1,285.00	2013	Completed September 2013	Caledonia Conservancy
96	Planning	Development of plan to reduce polluted runoff and erosion along lakefront in City of Oak Creek.	Land Use	City of Oak Creek	\$10,000.00	2013	Completed 10/31/2013	City of oak Creek
97	Study	Baseline Mussel Inventory for the Pike River Watershed and Root River Tributaries	RAH	Pike River in Racine and Kenosha Counties and Root River tributaries	\$9,200.00	2013	March 15, 2014	Hawthorn Hollow Nature Sanctuary and Arboretum

	Summary	Project	Focus Area	City Location	Award	Year	Outcome	Organization
98	Education	WATERshed (We All Take Environmental Responsibility) education program on water quality and stormwater runoff, targeted to fourth grade students and seventh grade students in Racine Unified School District	Communication & Education	City of Racine	\$9,462.50	2013	Completed October 2013	Hawthorn Hollow Nature Sanctuary and Arboretum
99	Restoration	Invasive plant removal, seeding and burning in Carity Wetland Complex in City of Franklin.	AGUP	City of Franklin	\$9,775.00	2013	Deadline: 6/30/2014	Milwaukee Area Land Conservancy
100	Restoration	River Bend Equipment for the removal of invasive buckthorn and other invasives at the river Bend nature Center.	Land Use	Village of Caledonia	\$5,530.00	2013	Completed December 2013	River Bend Nature Center
101	Education	Caledonia Conservancy's <i>School To Nature</i> program targeted to 350 6th grade students enrolled in Racine Unified School District and private schools in Racine, WI.	Communication & Education	Village of Caledonia	\$1,405.00	2014	Deadline: 12/1/2014	Caledonia Conservancy
102	Education	WATERshed (We All Take Environmental Responsibility) education program on water quality and stormwater runoff, targeted to fourth grade students and seventh grade students in Racine Unified School District	Communication & Education	City of Racine	\$4,300.00	2014	Deadline: 12/1/2014	River Bend Nature Center
103	Restoration	Samuel Myers Park Restoration - Phase II for purchase of sand, native dune grasses and shrubs, removal of boat launch, grading of sand.	RAH	City of Racine	\$10,000.00	2014	Deadline: 12/1/2014	City of Racine Health Department
104	Restoration	Hidden Oaks Savannah Restoration: Restoring 15 acres of wetland, prairie and oak savanna ecosystems within the Root River Corridor, decreasing run-off into the Root-Pike River Watershed from our Farm, and removing and controlling invasive species.	AGUP	City of Franklin	\$7,042.00	2014	Deadline: 12/1/2014	Hunger Task Force

	Summary	Project	Focus Area	City Location	Award	Year	Outcome	Organization
105	Restoration	Samuel Meyers Park Wetland Restoration - remove invasive species from, and enhance, 4 acres of delineated wetland at Sam Myers Park	RAH	City of Racine	\$5,415.00	2015	Deadline: 12/1/2015	City of Racine Health Department
106	Reforestation	Root River Parkway Reforestation - DPRC will utilize funds awarded to purchase 621 native hardwood trees and tree mats to plant into 6.9 acres of leased agricultural parkland	LANDUSE	Milwaukee County	\$9,910.00	2015	Deadline: 12/1/2015	Milwaukee County Department of Parks, Recreation & Culture
107	Education	River Bend Nature Center: WATERshed Program - Teach students their impact in sustainable environmental choices	COMED	River Bend, City of Racine	\$5,675.00	2015	Deadline: 12/1/2015	River Bend Nature Center
TOTAL AWARDS					\$544,478.50
