

**QUANTUM RESONANCE CRYSTAL LIGHT BED
COMES TO MODRN SANCTUARY**

***Luxury Wellness Center to Offer Cutting Edge
Crystal Light Therapy Beginning May 18, 2017***

NEW YORK, NY – May 10, 2017 - Modrn Sanctuary has added the Quantum Resonance Crystal Light Bed to the extensive list of holistic and traditional treatments and offerings at the luxury wellness center at 12 West 27th Street in New York City. Twenty-five minute and 45-minute treatment sessions will be available by appointment, beginning Thursday, May 18th, 2017.

This bed has Vogel cut quartz crystals designed to align with specific chakras on the body. It features rainbow-like lights with a different color to match the vibrational frequencies of each respective chakra. The bed has incorporated binaural beats, vibration healing, scalar energy, and infrared to make this an optimum state in the body for DNA replication and helping to heal. It is non-invasive and all-natural and known to help with many health issues, including balance, alignment, and harmonizing energies.

"Modrn Sanctuary's Quantum Resonance Crystal Light Bed was custom made to set very specific intentions of health and wellbeing through the device," explained owner Alexandra Janelli. "The center is all about energy and experiences and this new treatment can help clients feel more in balance and attuned with themselves and their surroundings. It is a wonderful addition to any wellness program."

Since ancient times, crystals have been used for their powerful energetic healing properties and recently there has been resurgence in popularity in crystal energy. Crystal bed therapy (also called crystal bath therapy and crystal light therapy) is known to promote emotional, mental, physical and spiritual healing has many boldfaced names who are fans, including Parker Posey, Jaimie Alexander, Gina Gershon and Oprah Winfrey.
