The Couple Therapy Training Program is a two-year certificate program that includes:

- A core curriculum in psychodynamic theory and fundamental techniques in couple therapy.
- A caseload of at least three treatment hours weekly.
- Individual and group supervision of couple cases.
- Engagement in personal individual or group therapy.
- Seminars, film programs, and workshops presented throughout the year.
- Supervised clinical hours count for licensure & professional requirements.
- Advanced training in couple therapy supervision is available beyond the two-year certificate.
- Fellowships for course and workshop tuition are available, requiring three hours per week of couple treatment in our clinic.

**Annual Tuition: $0 with fellowship.**

The Couple Therapy Training Program at TIMH offers a close community of faculty and students devoted to the work of helping couples to achieve and maintain good relationships.
