Black Magic Halloween Cocktail Recipe

Ingredients: 1/4 cup ice, 1/2 cup orange juice, 1.5 oz of black vodka, .5 oz of triple sec & an orange wedge for garnish.

Instructions:

- 1) In a cocktail shaker, add orange juice and triple sec over ice. Shake well and strain into a glass.
- 2) Using the back of a spoon pour black vodka slowly into the glass so that the vodka sits atop of the orange juice and the triple sec mix.
- 3) Carefully dip one edge of the orange into the vodka for a spooky presentation and sit the wedge on the rim of the glass.
